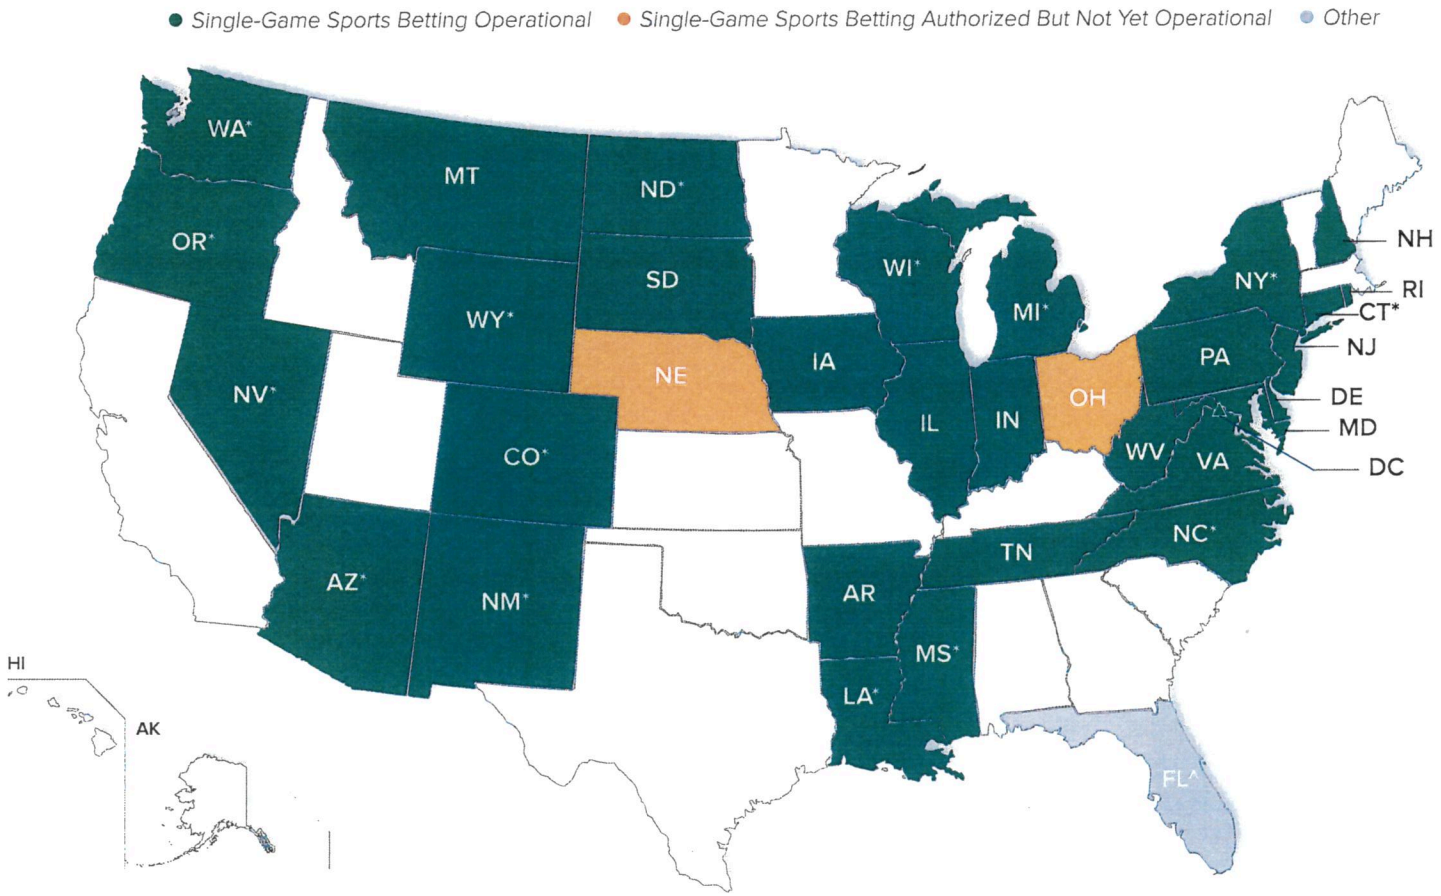
A Top-Down Look At The U.S. Sports Betting Policy Landscape (1/2)

Key Takeaway: The map below shows the 33 states where sports betting is legal. The ubiquity of legal sports betting is notable—indeed, there is now a contiguous group of states stretching from Washington State to Rhode Island with regulated sports betting industries.



* State in which tribal sports betting is operational.

^ A federal court has deemed the state's tribal compacts in violation of federal Indian gaming law. Pending the outcome of an appeal of this decision, sports betting is neither legal nor operational in Florida.
