H.B. No. 2639

A BILL TO BE ENTITLED

AN ACT

relating to a study by the Public Utility Commission of Texas on the
interconnection of electric transmission service facilities with
the United Mexican States.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. (a) The Public Utility Commission of Texas shall
study:

(1) the impacts of existing interconnections of
electric transmission service facilities in this state with
electric transmission service facilities in the United Mexican
States, including impacts on transmission and distribution
networks and retail customers in this state and in the United
Mexican States; and

(2) the potential impacts of establishing new
interconnections described by Subdivision (1), including impacts
on transmission and distribution networks and retail customers in
this state and in the United Mexican States.

(b) Not later than September 1, 2022, the Public Utility
Commission of Texas shall submit a report on the results of the
study to the legislature.

(c) This Act expires December 31, 2022.

SECTION 2. This Act takes effect September 1, 2021.
