21 amended to read as follows:

25 interest in the same inventory, has priority over a conflicting  
26 security interest in chattel paper or an instrument constituting  
27 proceeds of the inventory and in proceeds of the chattel paper, if

1 so provided in Section 9.330, and, except as otherwise provided in  
2 Section 9.327, also has priority in identifiable cash proceeds of  
3 the inventory to the extent the identifiable cash proceeds are

12 receives any required notification within five years before the  
13 debtor receives possession of the inventory; and

14 (4) the notification states that the person sending  
15 the notification has or expects to acquire a purchase-money  
16 security interest in inventory of the debtor and describes the  
17 inventory.

18 SECTION 4. Subtitle B, Title 5, Property Code, is amended by

24 purchased under an agreement to sell. The term does not include a  
25 lien that is:

26                                 (A) in favor of an affiliate of a first purchaser  
27 unless the lien is authorized by the statute or rule creating the

18 (20) "Transferor interest owner" means an interest  
19 owner that transfers or conveys oil and gas rights, wholly or  
20 partly.

21 Sec. 67.002. OIL AND GAS LIEN. (a) To secure the  
22 obligations of a first purchaser to pay the sales price, each  
23 interest owner has an oil and gas lien to the extent of the interest  
24 owner's interest in oil and gas rights. The oil and gas lien exists  
25 as part of and incident to the ownership of oil and gas rights.

26 (b) An oil and gas lien:

27 (1) exists in and attaches to all oil and gas before

1 severance;

2 (2) continues uninterrupted and without lapse in all  
3 oil and gas on and after severance; and

4 (3) continues uninterrupted and without lapse in and  
5 to all proceeds from the sale of the oil or gas.

6 (c) Except as provided by Subsection (d), an oil and gas  
7 lien exists until the interest owner or representative first  
8 entitled to receive the sales price has received the sales price for  
9 the oil or gas.

10 (d) As between an interest owner and a representative of an  
11 interest owner or any person claiming adversely to the interest  
12 owner or representative, the interest owner's oil and gas lien  
13 continues uninterrupted and without lapse in proceeds in the  
14 possession or control of a representative until the interest owner  
15 on whose behalf the representative acts receives the proceeds in  
16 full.

17 (e) Except as provided by Subsection (f), a first purchaser  
18 takes free of an oil and gas lien if the first purchaser:

19 (1) in good faith, paid the sales price for the oil or  
20 gas to an interest owner or representative otherwise apparently  
21 entitled to receive the sales price; and

22 (2) is without actual knowledge that the interest  
23 owner or representative is not entitled to receive the sales price  
24 paid.

25 (f) Notwithstanding Subsection (e), the oil and gas lien  
26 continues uninterrupted in the proceeds paid to or otherwise due  
27 the interest owner or representative.

1       Sec. 67.003. TRANSFER OF OIL AND GAS RIGHTS. (a) The  
2 validity of an oil and gas lien is not dependent on possession of  
3 the oil or gas by an interest owner or representative. An oil and  
4 gas lien is not void or expired because of a change or transfer of  
5 the actual or constructive possession of or title to the oil or gas  
6 from the interest owner or representative to a first purchaser or  
7 other purchaser.

8       (b) On the conveyance or transfer of any oil and gas rights  
9 by a transferor interest owner, the oil and gas lien vested in the  
10 transferor interest owner immediately before the conveyance or  
11 transfer remains with the transferor interest owner to the extent  
12 of any oil and gas rights retained by the transferor interest owner.

13       (c) On the conveyance or transfer of any oil and gas rights  
14 by a transferor interest owner, the oil and gas lien vested in the  
15 transferor interest owner immediately before the conveyance or  
16 transfer is transferred to and attaches automatically to the oil  
17 and gas rights acquired by the transferee interest owner  
18 uninterrupted and without lapse and as part of and incident to the  
19 oil and gas rights that are conveyed or transferred.

20       Sec. 67.004. AUTOMATIC PERFECTION OF LIEN. An oil and gas  
21 lien of an interest owner is perfected automatically without the  
22 need to file a financing statement or any other type of  
23 documentation.

24       Sec. 67.005. COMMINGLING. (a) If oil or gas in which there  
25 exists more than one oil and gas lien is commingled with other oil  
26 or gas in a manner that the identity of the specific oil or gas is  
27 lost, the oil and gas lien:

1           (1) continues without interruption into and attaches  
2 to any resulting commingled product; and

3           (2) is perfected automatically on the date of the oil  
4 and gas lien's original perfection but only for the volume of the  
5 commingled product that is equal to the volume of product to which  
6 the oil and gas lien originally attached.

7           (b) If commingling described by Subsection (a) occurs, the  
8 oil and gas lien in the commingled product has priority over any  
9 security interest or other lien that is not an oil and gas lien or  
10 permitted lien, regardless of whether the security interest or  
11 other lien has been properly perfected.

12           (c) If more than one oil and gas lien attaches to the  
13 commingled product, the oil and gas liens rank equally in the  
14 proportion that the respective sales prices secured by each oil and  
15 gas lien bears as a percentage of the total of the sales prices  
16 secured by all oil and gas liens applicable to the production at the  
17 time the production was commingled.

18           (d) This section is intended to recognize the continuation  
19 of oil and gas lien rights of an interest owner in the commingled  
20 product stream only as to a volume of oil or gas proportionate to  
21 the volume of oil or gas that originated from the interest owner,  
22 with that volume of the commingled product being considered to have  
23 maintained a distinct identity as being available for sale or  
24 transportation under the specific contractual arrangements  
25 applicable to the production at the time the oil or gas entered the  
26 commingled product stream.

27           Sec. 67.006. RIGHTS OF PURCHASERS. (a) Except as provided

1 by Subsection (b), a purchaser takes free of any oil and gas lien  
2 otherwise applicable to the oil or gas purchased if the purchaser:

3 (1) is a buyer in the ordinary course of the first  
4 purchaser's business under Chapter 9, Business & Commerce Code; or

5 (2) has paid all of the consideration due to the first  
6 purchaser, including by exchange of oil or gas, net-out, or  
7 set-off, under all applicable enforceable contracts in existence at  
8 the time of the payment.

9 (b) The oil and gas lien continues uninterrupted in the  
10 proceeds paid to or otherwise due the first purchaser.

11 (c) Except as provided by this section, an oil and gas lien  
12 has priority over the rights of any purchaser.

13 Sec. 67.007. PRIORITY IN RELATION TO OTHER LIENS OR  
14 SECURITY INTERESTS. Except for a permitted lien, an oil and gas  
15 lien takes priority over any other lien, whether arising by  
16 contract, law, equity, or otherwise, or any security interest.

17 Sec. 67.008. TITLE NOT AFFECTED. This chapter does not  
18 affect:

19 (1) when legal title to oil and gas may pass by  
20 agreement or operation of law subject to an oil and gas lien;

21 (2) the right of a first purchaser to take or receive  
22 oil and gas under the terms of a division order, provided that the  
23 division order does not modify, waive, or abrogate in any respect  
24 the rights of an interest owner under this chapter; or

25 (3) subject to Section 67.009, the right of a first  
26 purchaser to take or receive oil and gas under an agreement to sell.

27 Sec. 67.009. WAIVER. (a) Except as provided by Subsection

1 (b), an interest owner may not be required, as a condition or term  
2 of an agreement to sell or otherwise, to:

3 (1) waive or release any oil and gas lien or a right  
4 under this chapter, other than on payment in full of the sales  
5 price; or

6 (2) agree to a provision that would apply the law of  
7 another state to a right granted under this chapter.

8 (b) An interest owner, or representative acting on behalf of  
9 an interest owner, may waive or release any oil and gas lien or any  
10 rights under this chapter or agree to apply the law of another state  
11 to the interest owner's oil and gas rights granted under this  
12 chapter, if the first purchaser:

13 (1) posts a letter of credit in a form and amount  
14 satisfactory to the interest owner; or

15 (2) agrees to prepay or escrow the sales price under an  
16 agreement to sell with the interest owner and performs all of the  
17 first purchaser's obligations under the agreement.

18 (c) Unless waived or released under Subsection (b), a  
19 condition or term described by Subsection (a) is void.

20 Sec. 67.010. LIMITATION ON FILING ACTION TO ENFORCE LIEN.

21 (a) Except as provided by Subsection (b), an action to enforce the  
22 interest owner's oil and gas lien must be brought not later than the  
23 first anniversary of the last day of the month after the date  
24 proceeds from the sale of oil or gas subject to the lien are  
25 required by law or contract to be paid to the interest owner, but  
26 only as to the oil or gas sold during that month.

27 (b) The commencement of a proceeding by or against any

1 person claiming an interest in any property subject to the oil and  
2 gas lien seeking to adjudicate the person as bankrupt or insolvent,  
3 or seeking relief of the person's debts under any law relating to  
4 bankruptcy, insolvency, reorganization, or relief of debtors, or  
5 seeking the entry of an order for relief or the appointment of a  
6 receiver, trustee, or other similar official for the person or for  
7 any substantial part of the person's property shall toll the  
8 one-year period prescribed by Subsection (a) in which to bring an  
9 action to enforce the oil and gas lien for an additional period of  
10 90 days after the earlier of the date:

11 (1) the proceeding is dismissed or otherwise finally  
12 concluded; or

13 (2) final relief is obtained from the appropriate  
14 tribunal authorizing the commencement of the action to enforce the  
15 oil and gas lien.

16 Sec. 67.011. VENUE; JURISDICTION. (a) An action to enforce  
17 the interest owner's oil and gas lien may be brought in a district  
18 court or other court of competent jurisdiction in the county in  
19 which:

20 (1) the oil and gas well from which the oil or gas is  
21 produced is located;

22 (2) the unpaid for oil or gas is located; or

23 (3) the proceeds for the oil or gas are located.

24 (b) An interest owner may join multiple proceedings to  
25 enforce oil and gas liens involving more than one oil and gas well  
26 in one county in the same action.

27 (c) In cases involving oil or gas from the same oil and gas

1 well or wells:

2 (1) any persons claiming oil and gas liens in the oil  
3 or gas may join in the same action; or

4 (2) a district court may consolidate separate actions  
5 related to the oil or gas.

6 Sec. 67.012. PAYMENT DISPUTES. In the case of a payment  
7 dispute between an operator and another interest owner, a  
8 good-faith tender of money in satisfaction of a debt or security  
9 interest by one person operates as a tender of the money to both if  
10 tender is made:

11 (1) to the person who the operator and other interest  
12 owner jointly directed the first purchaser in writing to pay;

13 (2) to a person who otherwise shows the person is  
14 entitled to the money; or

15 (3) to a court of competent jurisdiction in the event  
16 of litigation or bankruptcy.

17 Sec. 67.013. COSTS; ATTORNEY'S FEES. The prevailing party  
18 in an action brought under this chapter is entitled to court costs  
19 and reasonable attorney's fees.

20 Sec. 67.014. CERTAIN RIGHTS OF OPERATOR NOT IMPAIRED. This  
21 chapter does not impair an operator's right to be paid, set-off, or  
22 withhold funds from another interest owner as security for or in  
23 satisfaction of a debt or security interest.

24 Sec. 67.015. INTEREST OWNER RIGHTS CUMULATIVE. The  
25 provisions of this chapter and the rights granted under this  
26 chapter are intended to be cumulative with all other rights an  
27 interest owner may otherwise have at law or in equity, including the

1 right of any interest owner to maintain a personal action to recover  
2 the debt against any person liable for payment of the sales price of  
3 the oil or gas.

4 Sec. 67.016. LIBERAL CONSTRUCTION OF INTEREST OWNER RIGHTS.  
5 The rights of the interest owner shall be liberally construed to  
6 give the interest owner the most comprehensive protection to secure  
7 the receipt by the interest owner of the sales price.

8 Sec. 67.017. CONFLICT OF LAWS. To the extent of a conflict  
9 between the provisions of this chapter and other law, this chapter  
10 prevails.

11 SECTION 5. Section 9.343, Business & Commerce Code, is  
12 repealed.

13 SECTION 6. (a) The changes in law made by this Act do not  
14 affect the rights of any interest owner that accrued before the  
15 effective date of this Act to the extent those rights are not in  
16 conflict with the provisions of Chapter 67, Property Code, as added  
17 by this Act, and the former law is continued in effect to preserve  
18 those rights.

19 (b) For purposes of Sections 67.005 and 67.007, Property  
20 Code, as added by this Act, a "permitted lien" includes a mortgage  
21 lien or security interest in oil or gas that:

22 (1) is granted before the effective date of this Act by  
23 a first purchaser in favor of a person who is not an affiliate of the  
24 first purchaser; and

25 (2) secures payment under a written instrument of  
26 indebtedness signed by the first purchaser and accepted in writing  
27 by the payee before the effective date of this Act with a principal

1 amount and a fixed maturity stated in the instrument, unless:

2 (A) the instrument of indebtedness is modified,  
3 amended, or restated on or after the effective date of this Act to:

4 (i) increase the principal amount that was  
5 owed before the effective date of this Act; or

6 (ii) extend the stated maturity of the debt  
7 that was in effect before the effective date of this Act; or

8 (B) the mortgage lien or security interest is not  
9 validly perfected with a first priority against the claims of all  
10 persons under applicable law other than persons holding a statutory  
11 or regulatory lien for which first priority is granted by statute or  
12 rule.

13 SECTION 7. This Act takes effect September 1, 2021.
