20 survivors.

21 (c) The purpose of the protocol developed under this section
22 is to ensure coordination between all agencies involved in sexual

24 survivor traumatization. The response team shall provide the
25 protocol to each agency in the county that responds to disclosures
26 of sexual assault.

27 (d) Failure to follow a protocol developed under this

1 section does not:

2 (1) constitute the basis for a claim or defense to a
3 civil or criminal action; or

4 (2) preclude the admissibility of evidence.

5 Sec. 351.257. REPORT. Not later than December 1 of each
6 odd-numbered year, a response team shall provide to the

27 A response team meeting is not subject to Chapter 551, Government

1 Code.

2 (b) This section does not prohibit a response team from
3 requesting or allowing the attendance of a person who is not a
4 response team member at a response team meeting.

5 (c) Information and records acquired by a response team in
6 the exercise of its purpose and duties under this subchapter are
7 confidential and not subject to disclosure under Chapter 552,
8 Government Code, and may only be disclosed as necessary to
9 implement the response team's purpose and duties.

10 (d) A report or a statistical compilation of data reports
11 created by the response team is public information subject to
12 Chapter 552, Government Code, provided the report or compilation
13 does not contain any personally identifiable information.

14 (e) Information, documents, and records of the response
15 team that are confidential under this section are not subject to
16 subpoena or discovery and may not be introduced into evidence in any
17 civil, criminal, or administrative proceeding, except that
18 information, documents, and records otherwise available from other
19 sources are not immune from subpoena, discovery, or introduction
20 into evidence solely because that information or those documents or
21 records were presented during a response team meeting or maintained
22 by the response team.

23 (f) A response team may only review a sexual assault case of
24 an adult survivor with the signed, written consent of the survivor.

25 The consent must specify:

27 (2) the reason or purpose for the release; and

1 (3) the person or agency to which the information is to
2 be released.

3 SECTION 2. (a) Not later than December 1, 2021, the
4 commissioners court of each county shall appoint the members to and
5 call the first meeting of the county's adult sexual assault
6 response team in accordance with Subchapter J, Chapter 351, Local
7 Government Code, as added by this Act. At the first meeting of each
8 adult sexual assault response team, the members of the team shall
9 appoint the initial presiding officer.

10 (b) Not later than December 1, 2022, each adult sexual
11 assault response team shall develop a written protocol as required
