16 (c) The commission may verify income using the verification  
17 process described in Section 62.1012.

18 SECTION 2. Subchapter C, Chapter 62, Health and Safety

20 Sec. 62.1012. EXPRESS LANE OPTION ELIGIBILITY; ENROLLMENT.

21 (a) In this section:

22 (1) "Express lane agency" means a governmental entity  
23 that:

24 (A) determines eligibility for assistance under

1 a public assistance program of this state; and

2 (B) is designated by the executive commissioner  
3 as capable of making determinations of one or more eligibility  
4 requirements under the child health plan program.

5 (2) "Public assistance program" includes:

6 (A) the Medicaid program under Chapter 32, Human  
7 Resources Code;

8 (B) the financial assistance program under  
9 Chapter 31, Human Resources Code;

10 (C) the nutritional assistance programs under  
11 Chapter 33, Human Resources Code, including the supplemental  
12 nutrition assistance program under that chapter; and

13 (D) other programs identified by the commission.

14 (b) Notwithstanding any other law and in accordance with  
15 Sections 1902(e)(13) and 2107(e)(1)(H) of the Social Security Act  
16 (42 U.S.C. Sections 1396a(e)(13) and 1397gg(e)(1)(H)), the  
17 commission shall implement an express lane option under which the  
18 commission may rely on findings made by an express lane agency,  
19 including a division of an express lane agency, in determining a  
20 child's eligibility for coverage under the child health plan,  
21 including a child's eligibility for reenrollment in the plan. The  
22 commission shall use express lane eligibility by evaluating data  
23 received from an applicant under other public assistance programs  
24 to determine the applicant's eligibility for coverage under the  
25 child health plan.

26 (c) In accordance with Section 1902(e)(13)(D) of the Social  
27 Security Act (42 U.S.C. Section 1396a(e)(13)(D)), the commission

1 shall enroll in the child health plan program a child who is  
2 determined to be eligible for the program under this section,  
3 except that the child may only be enrolled in the program if the  
4 child's parent, legal guardian, or custodial relative  
5 affirmatively consents to the enrollment. The consent:

6 (1) must be provided in accordance with identity  
7 verification standards the commission establishes; and

8 (2) may be provided:

10 (B) by telephone;

11 (C) in writing, including:

16 appropriate.

17 (d) The commission and each express lane agency shall  
18 include in each application for coverage or benefits under a public  
19 assistance program, including any online application, and on the  
20 commission's or agency's Internet website a conspicuous notice  
21 clearly explaining that:

22 (1) the information disclosed in the application may  
23 be used to determine a child's eligibility for coverage under the  
24 child health plan program using the express lane option implemented  
25 under this section;

26 (2) the child's parent, legal guardian, or custodial  
27 relative may elect not to have the information disclosed for that

1 purpose; and

2 (3) the child's parent, legal guardian, or custodial  
3 relative must provide affirmative consent before the child may be  
4 enrolled in the child health plan program using the express lane  
5 option implemented under this section.

6 (e) In accordance with 42 C.F.R. Section 457.340(e), the

10 implemented under this section notice of that determination. The  
11 notice may be provided by mail, e-mail, or any other manner the  
12 commission determines appropriate.

13 SECTION 3. Sections 32.026(e) and (g), Human Resources  
14 Code, are amended to read as follows:

15 (e) The executive commissioner shall permit a  
16 recertification review of the eligibility and need for medical  
17 assistance of a child under 19 years of age to be conducted by  
18 telephone or mail instead of through a personal appearance at an  
19 office, unless the commission determines that the information  
20 needed to verify eligibility cannot be obtained in that manner or  
21 may be obtained in the manner specified by Section 32.026102. The  
22 executive commissioner by rule may develop procedures to determine  
23 whether there is a need for a recertification review of a child  
24 described by this subsection to be conducted through a personal  
25 interview with a commission representative. Procedures developed  
26 under this subsection shall be based on objective, risk-based  
27 factors and conditions and shall focus on a targeted group of

1 recertification reviews for which there is a high probability that  
2 eligibility will not be recertified.

3 (g) Notwithstanding any other provision of this code, the  
4 commission may use information obtained from a third party to  
5 verify the assets and resources of a person for purposes of  
6 determining the person's eligibility and need for medical  
7 assistance to the extent that verification is applicable under  
8 federal law. Third-party information includes information obtained  
9 from:

16 assistance, including the recertification of a child's eligibility

19 under other public assistance programs to determine the applicant's  
20 eligibility for benefits under the medical assistance program.

21           (c) In accordance with Section 1902(e)(13)(D) of the Social  
22 Security Act (42 U.S.C. Section 1396a(e)(13)(D)), the commission
