

R E S O L U T I O N

1 WHEREAS, Endodontists are dental care experts who specialize
2 in treating tooth pain and tooth disease and performing root canal
3 treatments and other procedures with the goal of saving a patient's
4 natural teeth; and

5 WHEREAS, As specialists, these individuals complete three
6 years of additional training beyond dental school to acquire the
7 knowledge and skills necessary to identify and treat complex issues
8 related to the interior of the teeth; they possess outstanding
9 precision and hand-eye coordination, and they utilize the most
10 advanced and up-to-date technology to provide their patients with
11 the highest standard of care; and

12 WHEREAS, Endodontists limit their practice solely to
13 endodontic treatments and perform an average of 25 root canal
14 procedures per week; they often work as partners with general
15 dentists, and they explore all treatment options to determine the
16 best course of action for each individual case; and

17 WHEREAS, Through the important services they provide,
18 endodontists help patients maintain their natural smiles and avoid
19 the need for dental care at emergency rooms and urgent care
20 facilities, and their expertise is crucial to the well-being of
21 countless Texans each year; now, therefore, be it

H.R. No. 895

1 RESOLVED, That the House of Representatives of the 88th Texas
2 Legislature hereby recognize May 2023 as Save Your Tooth Month and
3 pay tribute to the many hardworking endodontists across the state.

Howard

H.R. No. 895

Speaker of the House

I certify that H.R. No. 895 was adopted by the House on April 14, 2023, by a non-record vote.

Chief Clerk of the House
