

AN ACT

relating to the deadline for approving a certificate of public convenience and necessity for certain transmission projects.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 37.057, Utilities Code, is amended to read as follows:

Sec. 37.057. DEADLINE FOR APPLICATION FOR NEW TRANSMISSION FACILITY. The commission must approve or deny an application for a certificate for a new transmission facility not later than the 180th day after ~~[the first anniversary of]~~ the date the application is filed. If the commission does not approve or deny the application on or before that date, a party may seek a writ of mandamus in a district court of Travis County to compel the commission to decide on the application.

SECTION 2. The changes in law made by this Act apply only to a proceeding affecting a certificate of public convenience and necessity that commences on or after the effective date of this Act. A proceeding affecting a certificate of public convenience and necessity that commenced before the effective date of this Act is governed by the law in effect on the date the proceeding is commenced, and that law is continued in effect for that purpose.

SECTION 3. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this

1 Act does not receive the vote necessary for immediate effect, this
2 Act takes effect September 1, 2023.
