1 (3) procedures to ensure the participants maintain
2 ownership and control of the account at the time the participants
3 exit the program;

4 (4) a requirement that the bank, credit union, or
5 other financial institution provide to participants in the program
6 a checking and savings account that does not require maintenance
7 fees and cannot incur overdraft fees, nonsufficient funds fees,

15 directly into a youth's savings account.

16 (d) The department and a person selected as a partner under
17 Subsection (c) may jointly establish incentives to provide
18 financial rewards to foster youth for actions performed by the
19 youth.

20 (e) The department shall survey each foster youth who enters
21 and exits the pilot program. The survey must be designed to assess
22 any changes in the youth's attitudes, perceptions, and knowledge
23 about financial matters from the time the youth entered the program
24 until the youth exited the program.

25 (f) The department shall complete an evaluation of the pilot
26 program and submit a report on the evaluation of the pilot program
27 conducted under this section to the governor, lieutenant governor,

1 and speaker of the house of representatives as soon as the
2 evaluation is complete but not later than December 31, 2027.

3 (g) A foster youth may not be denied the rights granted
4 under Section 264.0111 to control money earned by the youth that is
5 deposited into a savings or checking account under the pilot
6 program.

7 (h) If the department is unable to enter into an agreement
8 with a bank, credit union, or other financial institution, the
9 department shall include in the report required under Subsection
10 (f) a description of any legal or practical barriers that must be
11 addressed to ensure foster youth are able to participate in the
12 pilot program and establish savings and checking accounts before
13 the foster youth are no longer eligible for foster care services.

14 (i) This section expires January 1, 2028.
