## A BILL TO BE ENTITLED

1	AN ACT
2	relating to the use of an individual's genetic data by certain
3	genetic testing companies for commercial purposes; authorizing a
4	civil penalty.
5	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
6	SECTION 1. Subtitle A, Title 11, Business & Commerce Code,
7	is amended by adding Chapter 503A to read as follows:
8	CHAPTER 503A. DIRECT-TO-INDIVIDUAL GENETIC TESTING COMPANIES
9	Sec. 503A.001. DEFINITIONS. In this chapter:
10	(1) "Biological sample" means a material part of the
11	human body, or a discharge or derivative part of the body, including
12	tissue, blood, urine, or saliva that is known to contain DNA.
13	(2) "Deidentified data" means data not reasonably
14	linked to and that cannot reasonably be used to infer information
15	about an identifiable individual.
16	(3) "Direct-to-individual genetic testing company"
17	means an entity that:
18	(A) offers genetic testing products or services
19	directly to individuals; or
20	(B) collects, uses, or analyzes genetic data that
21	results from a direct-to-individual genetic testing product or
22	service and that an individual provides to the entity.
23	(4) "DNA" means deoxyribonucleic acid.
24	(5) "Express consent" means an individual's

- 1 affirmative response to a clear and meaningful notice regarding the
- 2 collection, use, or disclosure of genetic data for a specific
- 3 purpose.
- 4 (6) "Genetic data" means any data, regardless of
- 5 format, concerning an individual's genetic characteristics. The
- 6 term:
- 7 (A) includes:
- 8 <u>(i) raw sequence data derived from</u>
- 9 sequencing all or a portion of an individual's extracted DNA;
- 10 <u>(ii)</u> genotypic and phenotypic information
- 11 obtained from analyzing an individual's raw sequence data; and
- 12 <u>(iii) health information regarding the</u>
- 13 health conditions that an individual self-reports to a company and
- 14 that the company:
- 15 (a) uses for scientific research or
- 16 product development; and
- 17 (b) analyzes in connection with the
- 18 individual's raw sequence data; and
- 19 (B) does not include deidentified data.
- 20 (7) "Genetic testing" means a laboratory test of an
- 21 individual's complete DNA, regions of DNA, chromosomes, genes, or
- 22 gene products to determine the presence of the individual's genetic
- 23 <u>characteristics.</u>
- 24 (8) "Person" means an individual, partnership,
- 25 corporation, association, business, or business trust or the legal
- 26 representative of an organization.
- Sec. 503A.002. APPLICABILITY. (a) This chapter applies to

- 1 <u>a direct-to-individual genetic testing company that:</u>
- 2 (1) offers its products or services to individuals who
- 3 are residents of this state; or
- 4 (2) collects, uses, or analyzes genetic data that
- 5 results from the company's products or services and was provided to
- 6 the company by an individual who is a resident of this state.
- 7 <u>(b) This chapter does not apply to:</u>
- 8 (1) an entity only when they are engaged in
- 9 collecting, using, or analyzing genetic data or biological samples
- in the context of research, as defined by 45 C.F.R. Section 164.501,
- 11 that is conducted in accordance with:
- 12 (A) the federal policy for the protection of
- 13 human subjects (45 C.F.R. Part 46);
- 14 (B) the good clinical practice guidelines issued
- 15 by the International Council for Harmonisation of Technical
- 16 Requirements for Pharmaceuticals for Human Use (ICH); or
- 17 (C) the United States Food and Drug
- 18 Administration policy for the protection of human subjects (21
- 19 C.F.R. Parts 50 and 56); or
- 20 (2) genetic data that is protected health information
- 21 collected by a covered entity or business associate, as defined by
- 22 45 C.F.R. Part 160, subject to the privacy, security, and breach
- 23 notification rules under the Health Insurance Portability and
- 24 Accountability Act of 1996 (42 U.S.C. Section 1320d et seq.).
- 25 Sec. 503A.003. REQUIREMENTS FOR CERTAIN USES OF
- 26 DEIDENTIFIED DATA. (a) Except as otherwise provided by this
- 27 chapter or other law, a direct-to-individual genetic testing

- 1 company that possesses an individual's deidentified data shall:
- 2 (1) implement administrative and technical measures
- 3 to ensure the data is not associated with a particular individual;
- 4 and
- 5 (2) publicly commit to maintaining and using data in
- 6 deidentified form and refraining from making any attempt to
- 7 identify an individual using the individual's deidentified data.
- 8 (b) If a direct-to-individual genetic testing company
- 9 shares an individual's deidentified data with another person, the
- 10 company shall enter into a legally enforceable contractual
- 11 obligation prohibiting the person from attempting to identify an
- 12 individual using the individual's deidentified data.
- Sec. 503A.004. REQUIREMENTS FOR CERTAIN USES OR DISCLOSURE
- 14 OF GENETIC DATA AND BIOLOGICAL SAMPLE. (a) A direct-to-individual
- 15 genetic testing company shall:
- 16 (1) develop, implement, and maintain a comprehensive
- 17 security program to protect an individual's genetic data against
- 18 unauthorized access, use, or disclosure; and
- 19 (2) make publicly available:
- (A) a high-level privacy policy overview that
- 21 <u>includes basic</u>, essential information about the company's
- 22 <u>collection</u>, use, or disclosure of genetic data; and
- 23 (B) a prominent privacy notice that includes
- 24 information about the company's data collection, consent, use,
- 25 access, disclosure, transfer, security, retention, and deletion
- 26 practices.
- 27 (b) Before collecting, using, or disclosing an individual's

- 1 genetic data, a direct-to-individual genetic testing company shall
- 2 provide to the individual information about the company's
- 3 collection, use, and disclosure of genetic data the company
- 4 collects through a genetic testing product or service, including
- 5 information that:
- 6 (1) clearly describes the company's use of the genetic
- 7 data;
- 8 (2) specifies the persons who have access to test
- 9 results; and
- 10 (3) specifies the manner in which the company may
- 11 share the genetic data.
- 12 (c) A direct-to-individual genetic testing company shall
- 13 provide a process for an individual to:
- 14 (1) access the individual's genetic data;
- 15 (2) delete the individual's account and genetic data;
- 16 and
- 17 (3) destroy or require the destruction of the
- 18 individual's biological sample.
- 19 Sec. 503A.005. REQUIRED CONSENT. (a) A
- 20 direct-to-individual genetic testing company engaging in any of the
- 21 <u>following activities must obtain:</u>
- 22 <u>(1) an individual's separate express consent for:</u>
- (A) the transfer or disclosure of the
- 24 individual's genetic data to any person other than the company's
- 25 vendors and service providers;
- 26 (B) the use of genetic data for a purpose other
- 27 than the primary purpose of the company's genetic testing product

1
   or service; or
2
                    (C) the retention of any biological sample
3
   provided by the individual following the company's completion of
   the initial testing service requested by the individual;
4
               (2) an individual's informed consent in accordance
5
   with guidelines for the protection of human subjects issued under
6
7
   45 C.F.R. Part 46, for transfer or disclosure of the individual's
8
   genetic data to a third party for:
9
                    (A) research purposes; or
10
                    (B) research conducted under the control of the
   company for the purpose of publication or generalizable knowledge;
11
12
   and
13
               (3) an individual's express consent for:
14
                    (A) marketing by the company to the individual
15
   based on the individual's genetic data; or
16
                    (B) marketing by a third party to the individual
17
   based on the individual's ordering or purchasing of a genetic
   testing product or service.
18
         (b) For purposes of Subsection (a), "marketing" does not
19
   include providing customized content or offers to an individual
20
   with whom a direct-to-individual genetic testing company has a
21
   first-party relationship on the company's Internet website or
22
   through an application or service provided by the company to the
23
24
   individual.
         Sec. 503A.006. PROHIBITED DISCLOSURES.
25
                                                          (a)
26
   direct-to-individual genetic testing company may not disclose an
   individual's genetic data to a law enforcement entity or other
27
```

- 1 governmental body unless:
- 2 (1) the company first obtains the individual's express
- 3 written consent; or
- 4 (2) the entity or body obtains a warrant or complies
- 5 with another valid legal process required by the company.
- 6 (b) A direct-to-individual genetic testing company may not
- 7 disclose, without first obtaining an individual's written consent,
- 8 the individual's genetic data to:
- 9 <u>(1) an entity that offers health insurance</u>, life
- 10 <u>insurance</u>, or long-term care insurance; or
- 11 (2) an employer of the individual.
- 12 Sec. 503A.007. CIVIL PENALTY. (a) A direct-to-individual
- 13 genetic testing company that violates this chapter is liable to
- 14 this state for a civil penalty in an amount not to exceed \$2,500 for
- 15 <u>each violation</u>.
- 16 (b) The attorney general or a district attorney may bring an
- 17 action to recover a civil penalty imposed under Subsection (a) and
- 18 to restrain and enjoin a violation of this chapter. The attorney
- 19 general or a district attorney may recover reasonable attorney's
- 20 fees and court costs incurred in bringing the action.
- 21 SECTION 2. The changes in law made by this Act apply only to
- 22 genetic information obtained by a direct-to-individual genetic
- 23 testing company on or after the effective date of this Act.
- SECTION 3. This Act takes effect September 1, 2023.
