H.B. No. 805

A BILL TO BE ENTITLED

AN ACT

1
2 relating to a study by the Public Utility Commission of Texas on the
3 interconnection of electric transmission service facilities with
4 the United Mexican States.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. (a) The Public Utility Commission of Texas shall
7 study:

8 (1) the impacts of existing interconnections of
9 electric transmission service facilities in this state with
10 electric transmission service facilities in the United Mexican
11 States, including impacts on transmission and distribution
12 networks and retail customers in this state and in the United
13 Mexican States; and

14 (2) the potential impacts of establishing new
15 interconnections described by Subdivision (1), including impacts
16 on transmission and distribution networks and retail customers in
17 this state and in the United Mexican States.

18 (b) Not later than September 1, 2026, the Public Utility
19 Commission of Texas shall submit a report on the results of the
20 study to the legislature.

21 (c) This Act expires December 31, 2026.

22 SECTION 2. This Act takes effect September 1, 2025.
