H.B. No. 2145

A BILL TO BE ENTITLED

AN ACT

relating to the installation of electric vehicle charging stations  
at certain state-owned parking lots and garages.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter B, Chapter 2165, Government Code, is  
amended by adding Section 2165.059 to read as follows:

Sec. 2165.059. ELECTRIC VEHICLE CHARGING STATIONS AT  
STATE-OWNED PARKING LOTS AND GARAGES. (a) The commission shall  
ensure that each state-owned parking lot and garage constructed on  
or after September 1, 2025, includes a sufficient number of  
electric vehicle charging stations. In determining the number of  
electric vehicle charging stations at a parking lot or garage, the  
commission shall consider:

(1) the number of electric vehicles in the state  
currently registered and expected to be registered in the future;

(2) the number of electric vehicles used by state  
employees;

(3) the usage of the parking lot or garage, including  
the average length of time vehicles are parked in the lot or garage  
and whether the lot or garage is used by the public;

(4) the type of charging station technology, including  
the charging rate; and

(5) the anticipated number of electric vehicle charges  
expected at each parking lot or garage.

1        (b) The commission, in consultation with the state energy  
2 conservation office, by rule shall adopt guidelines for the  
3 installation of electric vehicle charging stations required by  
4 Subsection (a). The guidelines must establish standards for the  
5 type and scope of electric vehicle charging stations required based  
6 on the size and intended use of the parking lot or garage.

7        SECTION 2. This Act takes effect September 1, 2025.
