S.B. No. 2497

A BILL TO BE ENTITLED

AN ACT

relating to the installation of a filtration system by certain public drinking water supply systems.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 341.036, Health and Safety Code, is amended by adding Subsection (b-1) to read as follows:

(b-1) The commission by order may require a public drinking water supply system that obtains its water supply from an underground source to install a filtration system for the well for that source if:

(1) the commission has previously recommended that the public water system install a filtration system for the well for that source; and

(2) the public water system:

(A) has not maintained the well for that source in accordance with commission rules; or

(B) has been the subject of more than one complaint concerning that source submitted to the commission during the previous year.

SECTION 2. This Act takes effect September 1, 2025.
