Sec. 328.001. PURPOSE; CREATION. It is the intent of the legislature that each county dedicating land for use as county parks be encouraged to beautify and improve those parks through measures including but not limited to improvements in or additions to lighting, directional and educational signs, litter abatement strategies, and landscaping and landscape maintenance policies. In furtherance of these goals, the County Park Beautification and Improvement Program is established.

1 report to the commissioners court the coordinator's findings and
2 shall recommend an implementation strategy to the commissioners
3 court. The commissioners court may reject or adopt the
4 implementation strategy. If the commissioners court rejects the
5 strategy, it shall specify to the coordinator the reasons for such
6 rejection, and the coordinator shall develop a new implementation
7 strategy to present to the commissioners court within six months of
8 the rejection. On adoption of an implementation strategy, the
9 commissioners court may fund the program as provided in Section
10 328.004.
