Fiscal Analysis

The bill would make appropriations to the Texas Animal Health Commission for registration fees contained in House Bill 2328, 78th Regular Session. The Comptroller of Public Accounts included the revenue gain from House Bill 2328, 78th Legislature, Regular Session, in the certification of House Bill 1, the general appropriations act. Therefore, the appropriation and cost shown above would count against the \$98.6 million estimated to be available for certification for the 78th Legislature, First Called Session.

Methodology

The estimated fee collections in House Bill 2328 are \$172,525 in fiscal year 2004 and fiscal year 2005.

Local Government Impact

No fiscal implication to units of local government is anticipated.
