

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 78TH LEGISLATURE 1st CALLED SESSION - 2003

July 15, 2003

TO: Honorable Kenneth Armbrister, Chair, Senate Committee on Natural Resources

FROM: John Keel, Director, Legislative Budget Board

IN RE: SB56 by Armbrister (Relating to the establishment of defined existing and historic use periods for certain groundwater conservation districts.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would authorize certain groundwater conservation districts to institute a process that would require an existing or historic user to prove the maximum annual amount of groundwater that the user applied to a beneficial use during certain time periods. The bill would also prioritize how proportionate limits or reductions in permitted production would be determined.

The bill would take effect immediately if it receives the required two-thirds vote in each house; otherwise, it would take effect on the 91st day after the last day of the first called legislative session, Seventy-eighth Session, 2003.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
