

Amend CSHJR 1 by adding the following appropriately numbered Sections to the resolution and renumbering existing Sections accordingly:

SECTION _____. Subsection (c), Section 1-b, Article VIII, Texas Constitution, is amended to read as follows:

(c) Forty Five~~Fifteen~~ Thousand Dollars (45,000)~~(\$15,000)~~ of the market value of the residence homestead of a married or unmarried adult, including one living alone, is exempt from ad valorem taxation for general elementary and secondary public school purposes. The legislature by general law may provide that all or part of the exemption does not apply to a district or political subdivision that imposes ad valorem taxes for public education purposes but is not the principal school district providing general elementary and secondary public education throughout its territory. In addition to this exemption, the legislature by general law may exempt an amount not to exceed Ten Thousand Dollars (\$10,000) of the market value of the residence homestead of a person who is disabled as defined in Subsection (b) of this section and of a person sixty-five (65) years of age or older from ad valorem taxation for general elementary and secondary public school purposes. The legislature by general law may base the amount of and condition eligibility for the additional exemption authorized by this subsection for disabled persons and for persons sixty-five (65) years of age or older on economic need. An eligible disabled person who is sixty-five (65) years of age or older may not receive both exemptions from a school district but may choose either. An eligible person is entitled to receive both the exemption required by this subsection for all residence homesteads and any exemption adopted pursuant to Subsection (b) of this section, but the legislature shall provide by general law whether an eligible disabled or elderly person may receive both the additional exemption for the elderly and disabled authorized by this subsection and any exemption for the elderly or disabled adopted pursuant to Subsection (b) of this section. Where ad valorem tax has previously been pledged for the payment of debt, the taxing officers of a school district may continue to levy and collect the tax against the value of homesteads exempted under this subsection

until the debt is discharged if the cessation of the levy would impair the obligation of the contract by which the debt was created. The legislature shall provide for formulas to protect school districts against all or part of the revenue loss incurred by the implementation of Article VIII, Sections 1-b(c), 1-b(d), and 1-d-1, of this constitution. The legislature by general law may define residence homestead for purposes of this section.

SECTION _____. Amend the submission clause in the resolution accordingly.
