

Amend Amendment No. 11 to **CSHB 1** by Heflin in item (1) of the amendment by adding Subsection (c) to the rider to read as follows:

(c) Notwithstanding Subsections (a) and (b) of this rider, if **HCR 56** is finally approved, the amount of the reductions under Subsection (a) of this rider may not result in an appropriation lower than necessary to fund the average monthly Medicaid caseload reflected in that resolution. If the reductions specified by Subsection (a) of this rider are so great as to reduce the appropriations to an amount lower than necessary to fund the monthly Medicaid caseload specified by that resolution, the increases in appropriations under Subsection (b) of this rider are proportionately reduced to by the amount necessary to maintain an appropriation necessary to fund that caseload level.
