

Amend **CSHB 1** as follows:

In Article II, add the following appropriately numbered rider under the appropriations to the Health and Human Service Commission:

_____. No requirements for prior authorizations or other restrictions on medication used to treat mental illnesses such as schizophrenia, depression or bipolar disorder may be imposed on Medicaid recipients. Medications that will be available shall include atypical anti-psychotic medications, conventional anti-psychotic medications and other medications used for the treatment of mental illnesses.
