

Amend Amendment No. 160 to **CSHB 1** found on page 180 of the packet by making the following corrections:

In Article II, add the following appropriately rider under the appropriations to the Health and Human Services Commission:

_____. No requirements for prior authorizations or other restrictions on medication used to treat mental illnesses such as schizophrenia, depression or bipolar disorder may be imposed on Medicaid recipients. ~~[Medications]~~ Medications that will be available shall include atypical anti-psychotic medications, conventional anti-psychotic medications and other medications used for the treatment of mental illnesses.
