

Contingent upon passage of **HB 1801**, **SB 1182**, or similar legislation, the Department of MHMR shall negotiate a performance agreement with each Local MHMR Authority based on the priorities of the local community as expressed in the local service plan. The performance agreement shall specify certain outcome expectations for programs administered by the local authority. Performance related to these outcomes must be verifiable by the Department. Measures relating to outputs, units of service delivered, and efficiencies which may be included in the performance agreement, shall be recorded in the local authority automated data systems. Copies of these reports shall be forwarded to the Department at least annually.
