

Amend Article IX, **CSHB 1**, on page IX-34, establishing travel regulations, by adding a new Section 5.10 to read as follows:

"Sec. 5.10. Use of State Vehicles for Certain Travel Prohibited. Notwithstanding any other provisions of this Act, a state officer or employee may not use a state-owned motor vehicle to drive between destinations during their hours of duty if the distance between destinations is one-fourth of a mile or less. This section applies to trips with more than one destination if the distance between each destination is one-fourth of a mile or less and the return distance from the final destination to the beginning destination is one mile or less. This section does not apply to a state officer or employee who is disabled, as that term is defined by the Americans with Disabilities Act, as amended, 42 U.S.C. § 12101 et seq."
