

Amend **CSHB 5** in SECTION 1.02 of the bill, in proposed Section 41.053(c-1), Education Code, immediately following the period, by inserting the following:

Notwithstanding the cost of education index prescribed by this subsection, the commissioner shall adjust the amount of state aid to which each district is entitled by application of this section so that no district receives for the 2005-2006 or 2006-2007 school year less than the amount to which the district would be entitled using the district's cost of education index for the 2002-2003 school year.
