

Amend CSHB 804, as follows:

In SECTION 3 of the bill, on page 1, line 60, in added Section 62.0515, Labor Code, insert a new Subsection (d) and re-letter the following Subsections accordingly:

(d) This section does not apply to a minimum wage established in a municipality that has a cost of living for all items on September 1, 2003 in excess of a national average as calculated by the United States Department of Labor, Bureau of Labor Statistics or a nationally recognized organization that has published a cost of living index on a quarterly basis for a minimum of 30 years prior to September 1, 2003.
