

Amend **HB 918** on third reading in SECTION 2 of the bill, striking added Section 324.108, Tax Code, and substituting the following:

Sec. 324.108. STATE AUDITOR REVIEW. The state auditor may review a pilot program created under this subchapter and report the auditor's findings to the legislature. The review must be based on risk assessment and is subject to the legislative audit committee's approval of including the work described by this section in the audit plan under Section 321.013(c), Government Code.
