

Amend HB 1326, on page 2, line 25 through page 3, line 21, by striking proposed Subsections (d)-(f), Section 521.350, Transportation Code, substituting the following, and relettering subsequent subsections of that section accordingly:

(d) A person whose license is suspended under Subsection (a) shall be required by the court in which the person was convicted to perform at least 100 hours of community service as ordered by the court. If the person is a resident of this state without a driver's license to operate a motor vehicle, the court shall issue an order prohibiting the department from issuing the person a driver's license before the person completes the community service. Community service required under this subsection is in addition to any community service required of the person as a condition of community supervision under Section 16, Article 42.12, Code of Criminal Procedure.

(e) If a person who is required to perform community service under Subsection (d) completes that community service before the end of the person's license suspension, the person may apply to the department for reinstatement of the person's license or the issuance of a new license. The application must include proof satisfactory to the department that the person has performed the community service.
