

Amend **CSHB 2292** as follows:

Add the following appropriately numbered section to Article II of the bill and renumber the subsequent sections accordingly:

Community mental health centers may coordinate with local community health centers, Federally Qualified Health Centers (FQHC), and/or Disproportionate Share Hospitals for the purpose of accessing local, state, and federal programs that could result in lower cost pharmaceuticals. In particular, community mental health centers may form a referral relationship with community health centers, Federally Qualified Health Centers (FQHC), Disproportionate Share Hospitals, and/or other eligible entities for the purpose of obtaining federal 340b pricing for pharmaceuticals. Community mental health centers may form a referral relationship with community health centers, Federally Qualified Health Centers (FQHC), Disproportionate Share Hospitals, and/or other eligible entities for the purpose of taking advantage of 340b or other lower cost drug programs regardless of any statewide preferred drug list or vendor drug program, which may be adopted.
