

Amend CSHB 2292 in Article 2, Section 2.11 on page 69 by adding a new subsection (d) and renumbering remaining subsections accordingly:

(d) Each prescribed drug for treatment of the following illnesses or conditions is exempt from the prior authorization system:

(1) human immunodeficiency virus (HIV) infection;

(2) acquired immune deficiency syndrome (AIDS);

(3) cancer;

(4) schizophrenia;

(5) bipolar disorder; and

(6) hemophilia.
