

(1) Amend **HCR 103** on page 2 delete lines on line 7 insert the following and renumber accordingly as follows:

"WHEREAS, United States based companies involved in the importing and processing of shrimp are opposed to the use of chloramphenicol and are working with the domestic shrimp industry and the FDA to develop effective protocols, including in-country testing, certification of foreign testing facilities, and other means to detect banned antibiotics and to exclude all tainted products from the United States market; and"

(2) Amend **HCR 103** on page 2 line 22 after "health" and before "and" insert the following:

Delete the semicolon (~~;~~) and insert a comma (,)

(3) Amend **HCR 103** on page 2 line 22 after "health," and before "and" insert the following and renumber accordingly:

"and calls for the FDA to continue working with the both importers and domestic stakeholders to develop effective methods of excluding seafood imports containing chloramphenicol, nitrofurans and other banned veterinary drugs,

RESOLVED, That the 78th Legislature of the State of Texas hereby express concern about the presence of chloramphenicol, nitrofurans and other banned veterinary drugs in imported shrimp, the potential adverse impact on the safety of the food supply, and the resultant risk to human health, and calls for the FDA to continue working with the both importers and domestic stakeholders to develop effective methods of excluding seafood imports containing chloramphenicol, nitrofurans and other banned veterinary drugs; and, be it further
