

Amend the committee report for SB 820 as follows:

In SECTION 1, on page 1, line 15, following the word "assigned" and before the "." add the following:

", except as provided in subsection (e).

In SECTION 1, following subsection (d) on line 16, add the following subsection (e):

(e) The first certification of impairment rating may be disputed after the 90 day period if there is compelling evidence establishing the following:

(1) a significant error on the part of the certifying doctor in applying the appropriate American Medical Association Guides or calculating the impairment rating;

(2) a clear mis-diagnosis or a previously undiagnosed medical condition;

(3) prior improper or inadequate treatment of the injury which would render the certification of impairment rating invalid; or

(4) other compelling circumstances adopted by commission rule.
