

Amend SB 482, on third reading, as follows:

(1) In SECTION 2 of the bill, strike added Section 615.021(e)(1), Government Code, as amended on second reading, and substitute the following new Section 615.021(e)(1):

(1) "Personal injury" means an injury resulting from an external force, an activity, or a disease caused by or resulting from:

(A) a line-of-duty accident; or

(B) an illness caused by line-of-duty work under hazardous conditions.

(2) In SECTION 3 of the bill, strike added Section 615.072(c)(1), Government Code, as amended on second reading, and substitute the following new Section 615.072(c)(1):

(1) "Personal injury" means an injury resulting from an external force, an activity, or a disease caused by or resulting from:

(A) a line-of-duty accident; or

(B) an illness caused by line-of-duty work under hazardous conditions.

(3) In SECTION 6 of the bill, strike added Section 811.001(12-a), Government Code, as amended on second reading, and substitute the following new Section 811.001(12-a):

(12-a) "Occupational death" means death from an injury resulting from an external force, an activity, or a disease caused by or resulting from a line-of-duty accident or from an illness caused by line-of-duty work under hazardous conditions. The term includes death from accidents or illnesses that directly result from an action a person is required or authorized by rule, condition of employment, or law to perform, including an action performed by the person at a social, ceremonial, athletic, or other function to which the person is assigned by the person's employer.
