

Amend CSSB 1952 by striking Section 382.056(a), Health and Safety Code, as amended by SECTION 8B.20 of the bill (Committee Printing page 193, line 7 through page 194, line 14), and substituting the following:

(a) An [~~Except as provided by Section 382.0518(h), an~~] applicant for a permit or permit amendment under Section 382.0518 or a permit renewal review under Section 382.055 shall publish notice of a preliminary decision on [~~intent to obtain~~] the permit, permit amendment, or permit review and provide an opportunity for a contested case hearing as provided by Subchapter M, Chapter 5, Water Code [~~not later than the 30th day after the date the commission determines the application to be administratively complete. The commission by rule shall require an applicant for a federal operating permit under Section 382.054 to publish notice of intent to obtain a permit, permit amendment, or permit review consistent with federal requirements and with the requirements of Subsection (b). The applicant shall publish the notice at least once in a newspaper of general circulation in the municipality in which the facility or federal source is located or is proposed to be located or in the municipality nearest to the location or proposed location of the facility or federal source. If the elementary or middle school nearest to the facility or proposed facility provides a bilingual education program as required by Subchapter B, Chapter 29, Education Code, the applicant shall also publish the notice at least once in an additional publication of general circulation in the municipality or county in which the facility is located or proposed to be located that is published in the language taught in the bilingual education program. This requirement is waived if such a publication does not exist or if the publisher refuses to publish the notice. The commission by rule shall prescribe the form and content of the notice and when notice must be published. The commission may require publication of additional notice~~]. The commission by rule shall prescribe alternative procedures for publication of the notice in a newspaper if the applicant is a small business stationary source as defined by Section 382.0365 and will not have a significant effect on air quality. The alternative procedures must be cost-effective while ensuring adequate notice.

~~[Notice required to be published under this section shall only be required to be published in the United States.]~~
