

Amend SCR 20 as follows:

On page 2, line 15, insert the following language, "WHEREAS, each municipality where the one-stop facilities will be located is unique and has different concerns that must be addressed, such as the location of the facility, whether international commerce would be impeded, whether traffic congestion and pollution would be increased, whether all incoming traffic would be treated the same and whether local participation would be prioritized; and

WHEREAS, specifically regarding the City of Laredo, federal and state entities should work in collaboration with municipalities and enter into agreements that state that the location, plans and implementation strategy for the proposed facilities are acceptable to all parties involved; and"
