DIGEST AND PURPOSE

In 1979, the 66th Texas Legislature created the Greater Texoma Municipal Utility District, a conservation and reclamation district in Grayson County. In 1983, the 68th Texas Legislature changed the name of the district to the Greater Texoma Utility Authority (authority) and also added Section 3A relating to bidding requirements, to provide guidance regarding competitive bidding procedures. Since 1983, the Texas Water Code has been expanded to provide ample guidance for bidding procedures for conservation and reclamation districts like the Greater Texoma Utility Authority. H.B. 1120 repeals Section 3A, Chapter 97, Acts of the 66th Legislature Regular Session, 1979.
