### **DIGEST AND PURPOSE**

Some believe that to protect the interest of Texas and make the work of the Railroad Commission of Texas (commission) more effectively, timely notice of bankruptcy filings by regulated oil and gas entities is necessary. C.S.H.B. 2021 requires organizations, regulated by the commission, which perform operations within the jurisdiction of the commission to notify the commission in the event the organization or any affiliate files for federal bankruptcy protection.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
