

## **BILL ANALYSIS**

H.B. 2306  
By: Jones, Jesse  
Transportation  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

The 76th Legislature established the “New Millennium” license plate program to support reading programs in public libraries. House Bill 2306 would modernize the name of the license plate while continuing the support for reading programs in public libraries.

### **RULEMAKING AUTHORITY**

It is the committee’s opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### **ANALYSIS**

SECTION 1: Amends the name of the license plate and the name printed on the plate to “Texas Reads.”  
Amends the account to “Texas reads.”

SECTION 2: States that the change in the name does not affect the current account. The department may sell the existing new millennium plates in stock before issuing the new Texas reads plates. The new millennium plates are subject to the law as written before the effective date of this act.

### **EFFECTIVE DATE**

Upon passage, or, if the Act does not receive the necessary vote, the Act takes effect September 1, 2003.
