Committee Report (Substituted)

BACKGROUND AND PURPOSE

Kingsborough Municipal Utility District No. 8 of Kaufman County (the “District”) will encompass an area of land outside of the corporate limits and the extraterritorial jurisdiction of any city. The land to be located within the District will be developed into single family residential and commercial development; therefore, water, sewer, and drainage services need to be secured. It is necessary to create the District under Chapters 49 (Provisions Applicable to All Districts) and 54 (Municipal Utility Districts), Water Code, in order to purchase, acquire, or construct facilities for such services to serve the future occupants of the land utilizing tax exempt bonds. C.S.H.B. 3614 provides regulations regarding the creation, administration, powers, duties, operation, and financing of the District.
