

BILL ANALYSIS

S.B. 161
By: Nelson
Public Health
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Currently, the Texas Department of Health (TDH) has indications that enforcement sanctions are inadequate in some of the professional licensing programs. The Act grants licensing programs the authority to issue emergency suspension of a license to practice, to assess administrative penalties to strengthen regulatory efforts, and to include civil and criminal penalties to further sanction individuals who are out of compliance, while ensuring standardization and consistency of enforcement measures for licensing programs housed within TDH.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
