DIGEST AND PURPOSE

Currently, under Chapter 311 of the Texas Tax Code, a taxing unit is not required to pay into the tax increment fund (fund) any of its tax increment derived from property located in a reinvestment zone. However, under Section 311.013(h), a city which has a population that exceeds 230,000 and borders Mexico is still required to pay into the fund. S.B. 353 repeals Section 311.013(h) of the Texas Tax Code to ensure that a city with a population exceeding 230,000 and that borders Mexico does not pay into the fund any tax increments produced from property located in a reinvestment zone.
