DIGEST AND PURPOSE

Currently, Kuykendahl Road Public Utility District No. 2 (district) is not activated and is no longer owned by the landowners originally benefitted by the creation of the district. All of the property is now owned by the Woodlands Land Development Company, L.P. Overlapping or adjacent municipal utility districts have been recently created to serve all of the functions and purposes of the district. The district has no assets, liabilities, or obligations and has issued no bonds. S.B. 368 dissolves and abolishes the district without the delays and expenses associated with filing prosecuting dissolution proceedings with the Texas Commission on Environmental Quality under Chapter 49, Texas Water Code.
