

## **BILL ANALYSIS**

S.B. 583

By: Shapleigh

Defense Affairs and State-Federal Relations  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Currently, members of the Texas Reserve military forces are being mobilized to fulfill homeland security requirements and global contingency commitments in numbers not seen since the Korean War. Since September 11, 2001, approximately 5,000 guardsmen and reservists have been ordered to full-time status. Secretary of Defense, Donald Rumsfeld has identified a need for transforming and streamlining our military forces and improving interagency processes and integration. SB 583 requires the Adjutant General's annual report to include a list and description of all Texas National Guard missions in progress at the time of the report and a statement of the Adjutant General's plans to obtain and maintain future Texas national Guard missions, including proposed missions.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
