### **DIGEST AND PURPOSE**

The Veterans' Land Board (VLB) is allowed to spend VLB funds on contracts to make improvements on VLB-owned land in order to repair or prepare land for sale to a veteran. Currently, VLB must put out for bid any contract over \$10,000. However, the General Land Office, and other state agencies have a \$25,000 limit before those agencies must put a contract out for bid. S.B. 761 increases VLB's limit to \$25,000 before a contract must be put out for bid.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
