### **DIGEST AND PURPOSE**

Currently, Section 180.004, Working Conditions for Pregnant Employees, Local Government Code, requires that municipalities and counties make a reasonable accommodation for pregnant peace officers by allowing them to work in a temporary assignment with duties they can perform; however, this provision does not apply to commissioned officers of the Department of Public Safety. S.B. 804 extends accommodations and temporary work assignments to pregnant commissioned officers of the Department of Public Safety.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
