DIGEST AND PURPOSE

Currently, some feel there is a need for increased efficiency in addressing corporate fraud and providing penalties. An agency within the Office of the Attorney General could assist district attorneys and county attorneys in investigating and prosecuting corporate fraud. S.B. 1059 creates a Corporate Integrity Unit within the office of the attorney general to assist in the enforcement of the laws relating to corporate fraud or other similar illegal activities. This bill requires companies entering into contracts with the state to immediately report any financial irregularities relating to the contract or the company's financial position.
