

BILL ANALYSIS

S.B. 1183
By: Deuell
Economic Development
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Currently, the Texas Workforce Commission (TWC) administers the federal community service program under the National and Community Service Act of 1990. The functions and activities of this program are expected to be incorporated into the OneStar Foundation. To move the program under the authority and coordination of the OneStar Foundation, the ties to TWC must be severed. SB 1183 removes the federal community service program from the Texas Workforce Commission and the Council Workforce and Economic Competitiveness.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
