DIGEST AND PURPOSE

The Veterans Land Board (VLB) owns four State Veterans Homes (TSVH) licensed under Chapter 242 (Convalescent and Nursing Homes and Related Institutions), Health & Safety Code. Section 242.096 (Nursing and Convalescent Home Trust Fund and Emergency Assistance Funds), Health & Safety Code, establishes an emergency assistance fund to be used to meet the basic needs of residents should a licensed home go into receivership. The Department of Human Services is authorized to assess a fee against all licensed convalescent or nursing homes if this fund drops below a certain level. Although TSVH has to pay into the fund, it would never benefit from the fund. Should a veterans home lose its license or close, VLB would resume control of the home and appoint a new operator. S.B. 1237 exempts a veterans home from Section 242.097 (Additional License Fee - Nursing and Convalescent Homes), Health & Safety Code.
