

## **BILL ANALYSIS**

S.B. 1367

Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Currently, the students at Texas Tech Health Science Center do not pay a fee earmarked for its student center, which was constructed and furnished with gift funds and opened in 2002. The students and administration have proposed implementing a fee to generate revenue to maintain, operate, improve, and equip the center. C.S.S.B. 1367 establishes the structure to implement a fee sufficient to support the student center.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

(c) Authorizes the board of regents to prorate the amount of the fee imposed at an institution based on the length of the semester or term for which a student enrolls.

(d) Requires the fiscal officer of each institution to collect the fees imposed under this section at the institution and to credit the money received from the fees to an account known as the student union account. Requires the advisory board to annually submit a complete and itemized budget accompanied by a full and complete report of all activities conducted during the year and all expenditures made in connection with those activities. Requires the board of regents to make the changes in the budget as it considers necessary before approving the budget and to impose the fees in an amount sufficient to meet the budgetary needs of the student union, subject to Subsection (b).

(e) Authorizes the board of regents to pledge the fees imposed under this section to pay obligations issued for authorized purposes pursuant to the revenue financing system of the Texas Tech University System.

(f) Provides that student union fees imposed under this section are in addition to any other fee the board

of regents is authorized by law to impose and prohibits those fees from being considered in determining the maximum student services fee that may be imposed under Section 54.503(b).
