1 (b) A judge granting community supervision to a defendant  
2 convicted of an offense under Sections 49.04-49.08 [~~Section 49.08~~],  
3 Penal Code, shall require as a condition of community supervision  
4 that the defendant submit to an evaluation by a supervision officer  
5 or by a person, program, or facility approved by the Texas  
6 Commission on Alcohol and Drug Abuse for the purpose of having the

8 the rehabilitation of the defendant's drug or alcohol dependence  
9 condition [~~a period of confinement of not less than 120 days~~].

10 (c) If the director of a facility to which a defendant is  
11 referred under Subsection (b) [~~Subdivision (2) of Subsection (a) of~~  
12 ~~this section~~] determines that the defendant is not making a good  
13 faith effort to participate in a program of rehabilitation, the  
14 director shall notify the judge that referred the defendant of that  
15 fact.

16 (i) If a person convicted of an offense under Sections  
17 49.04-49.08, Penal Code, is placed on community supervision, the  
18 court may require as a condition of community supervision that the  
19 defendant have a device installed, on the motor vehicle owned by the  
20 defendant or on the vehicle most regularly driven by the defendant,  
21 that uses a deep-lung breath analysis mechanism to make impractical  
22 the operation of the motor vehicle if ethyl alcohol is detected in  
23 the breath of the operator and that the defendant not operate any  
24 motor vehicle that is not equipped with that device. If the person  
25 is convicted of an offense under Sections 49.04-49.06, Penal Code,  
26 and punished under Section 49.09(a), (a-1), or (b), Penal Code, or  
27 of a second or subsequent offense under Section 49.07 or 49.08,

1 Penal Code, and the person after conviction of either offense is  
2 placed on community supervision, the court shall require as a  
3 condition of community supervision that the defendant have the  
4 device installed on the appropriate vehicle and that the defendant  
5 not operate any motor vehicle unless the vehicle is equipped with  
6 that device. Before placing on community supervision a person  
7 convicted of an offense under Sections 49.04-49.08, Penal Code, the  
8 court shall determine from criminal history record information  
9 maintained by the Department of Public Safety whether the person  
10 has one or more previous convictions under Sections 49.04-49.08,  
11 Penal Code, or has one previous conviction under Sections  
12 49.04-49.07, Penal Code, or one previous conviction under Section  
13 49.08, Penal Code. If the court determines that the person has one  
14 or more such previous convictions, the court shall require as a  
15 condition of community supervision that the defendant have that  
16 device installed on the motor vehicle owned by the defendant or on  
17 the vehicle most regularly driven by the defendant and that the  
18 defendant not operate any motor vehicle unless the vehicle is  
19 equipped with the device described in this subsection. The court  
20 shall require the defendant to obtain the device at the defendant's  
21 own cost before the 30th day after the date of conviction unless the  
22 court finds that to do so would not be in the best interest of  
23 justice and enters its findings on record. The court shall require  
24 the defendant to provide evidence to the court within the 30-day  
25 period that the device has been installed on the appropriate  
26 vehicle and order the device to remain installed on that vehicle for  
27 a period not less than 50 percent of the supervision period. If the

1 court determines the offender is unable to pay for the device, the  
2 court may impose a reasonable payment schedule not to exceed twice  
3 the period of the court's order. The Department of Public Safety  
4 shall approve devices for use under this subsection. Section  
5 521.247, Transportation Code, applies to the approval of a device  
6 under this subsection and the consequences of that approval.  
7 Notwithstanding the provisions of this section, if a person is  
8 required to operate a motor vehicle in the course and scope of the  
9 person's employment and if the vehicle is owned by the employer, the  
10 person may operate that vehicle without installation of an approved  
11 ignition interlock device if the employer has been notified of that  
12 driving privilege restriction and if proof of that notification is  
13 with the vehicle. This employment exemption does not apply,  
14 however, if the business entity that owns the vehicle is owned or  
15 controlled by the person whose driving privilege has been  
16 restricted. A previous conviction may not be used for purposes of  
17 restricting a person to the operation of a motor vehicle equipped  
18 with an interlock ignition device under this subsection if:

19 (1) the previous conviction was a final conviction  
20 under Section 49.04, 49.05, 49.06, 49.07, or 49.08, Penal Code, and  
21 was for an offense committed more than 10 years before the instant  
22 offense for which the person was convicted and placed on community  
23 supervision; and

24 (2) the person has not been convicted of an offense  
25 under Section 49.04, 49.05, 49.06, 49.07, or 49.08 of that code,  
26 committed within 10 years before the date on which the instant  
27 offense for which the person was convicted and placed on community

1 supervision.

2 SECTION 3. Sections 49.09(e) and (f), Penal Code, are  
3 repealed.

4 SECTION 4. (a) This Act takes effect September 1, 2003.

5 (b) The changes in law made by this Act apply only to the  
6 penalty or the terms of community supervision for an offense under  
7 Chapter 49, Penal Code, that is committed on or after September 1,  
8 2003. The penalty and the terms of community supervision for an  
9 offense under Chapter 49, Penal Code, that was committed before  
10 September 1, 2003, is covered by the law in effect when the offense  
11 was committed, and the former law is continued in effect for that  
12 purpose. For purposes of this subsection, an offense was committed  
13 before September 1, 2003, if any element of the offense was  
14 committed before that date.
