C.S.H.B. No. 1521

A BILL TO BE ENTITLED

AN ACT

1
2 relating to economic development, strategic planning, and other
3 issues regarding military facilities, and the merger of certain
4 state agencies with military responsibilities; granting authority
5 to issue bonds.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

7 SECTION 1. This Act may be known as the Military
8 Preparedness Act.

9 SECTION 2. The Military Preparedness Act represents a
10 proactive response to the presently evolving transformation of
11 national defense strategies. It clearly conveys this state's
12 intent to create a business climate that is favorable to defense
13 installations and activities through legislation that assists in
14 reducing base operating costs while enhancing military value. To
15 realign existing infrastructure and generate cost savings
16 necessary for these new defense strategies, the United States
17 Department of Defense will undergo another round of base
18 realignment and closure in 2005. Our military installations and
19 defense-related businesses are vital to the state's economy. The
20 United States Department of Defense is Texas' largest employer,
21 employing 228,790 persons in the year 2000. The \$20.9 billion in
22 military expenditures made in fiscal year 2000 had a total economic
23 impact of approximately \$49.3 billion on the state. It is clearly
24 evident that the legislature must develop programs to assist

1 communities in adding military value to their local defense
2 installations if Texas is to maintain its strong military heritage
3 and presence.

4 SECTION 3. Chapter 436, Government Code, is amended and
5 reorganized into Subchapters A-E to read as follows:

6 CHAPTER 436. TEXAS MILITARY PREPAREDNESS [~~STRATEGIC MILITARY~~
7 ~~PLANNING~~] COMMISSION

8 SUBCHAPTER A. GENERAL PROVISIONS

9 Sec. 436.001. DEFINITION. In this chapter, "commission"
10 means the Texas Military Preparedness [~~Strategic Military~~
11 ~~Planning~~] Commission.

12 Sec. 436.002. COMMISSION. The commission is within the
13 office of the governor and shall report to the governor or the
14 governor's designee.

15 Sec. 436.003. SUNSET PROVISION. The commission is subject
16 to Chapter 325 (Texas Sunset Act). Unless continued in existence as
17 provided by that chapter, the commission is abolished and this
18 chapter expires September 1, 2007.

19 [Sections 436.004-436.050 reserved for expansion]

20 SUBCHAPTER B. ORGANIZATION AND ADMINISTRATION

21 Sec. 436.051 [~~436.003~~]. COMPOSITION; ELIGIBILITY. (a) The

1 concerning defense affairs and state, federal, and international
2 relations; and

5 affairs and military installations.

6 (b) To be eligible for appointment as a public member to the

15 public members of the commission serve staggered terms of six
16 [~~three~~] years with the terms of one-third of the members expiring
17 February 1 of each odd-numbered year. A legislative member vacates
18 the person's position on the commission if the person ceases to be
19 the chair of the applicable legislative committee.

20 (b) The governor shall designate a member of the commission
21 as the presiding officer of the commission to serve in that capacity
22 at the pleasure of the governor [~~from among the members of the~~
23 ~~commission~~].

24 Sec. 436.053 [~~436.005~~]. COMPENSATION AND EXPENSES. A
25 public member of the commission is not entitled to compensation but
26 is entitled to reimbursement, from commission funds, for the travel
27 expenses incurred by the member while conducting the business of

1 the commission, as provided by the General Appropriations Act. The
2 entitlement of a legislative member to compensation or
3 reimbursement for travel expenses is governed by the law applying
4 to the member's service in that underlying position, and any
5 payments to the member shall be made from the appropriate funds of
6 the applicable house of the legislature.

7 Sec. 436.054 [~~436.006~~]. MEETINGS [~~, OPEN GOVERNMENT~~]. (a)

16 competitors in this state designed to assist its members and its
17 industry or profession in dealing with mutual business or
18 professional problems and in promoting their common interest.

19 (b) A person may not be a public member of the commission and
20 may not be a commission employee employed in a "bona fide executive,
21 administrative, or professional capacity," as that phrase is used
22 for purposes of establishing an exemption to the overtime
23 provisions of the federal Fair Labor Standards Act of 1938 (29
24 U.S.C. Section 201 et seq.), and its subsequent amendments, if:

25 (1) the person is an officer, employee, or paid
26 consultant of a Texas trade association in the field of military
27 affairs; or

1 (2) the person's spouse is an officer, manager, or paid
2 consultant of a Texas trade association in the field of military
3 affairs.

4 (c) A person may not be a public member of the commission or
5 act as the general counsel to the commission if the person is
6 required to register as a lobbyist under Chapter 305 because of the
7 person's activities for compensation on behalf of a profession
8 related to the operation of the commission.

21 scheduled commission meetings that the member is eligible to attend
22 during a calendar year without an excuse approved by a majority vote
23 of the commission.

24 (b) The validity of an action of the commission is not
25 affected by the fact that it is taken when a ground for removal of a
26 commission member exists.

27 (c) If the executive director has knowledge that a potential

1 ground for removal exists, the executive director shall notify the
2 presiding officer of the commission of the potential ground. The
3 presiding officer shall then notify the governor and the attorney
4 general that a potential ground for removal exists. If the
5 potential ground for removal involves the presiding officer, the
6 executive director shall notify the next highest ranking officer of
7 the commission, who shall then notify the governor and the attorney
8 general that a potential ground for removal exists.

9 Sec. 436.057. EXECUTIVE DIRECTOR. (a) The commission
10 shall hire an executive director to serve as the chief executive
11 officer of the commission and to perform the administrative duties

26 disability, sex, religion, age, or national origin.

27 (b) The policy statement must include:

1 (1) personnel policies, including policies relating
2 to recruitment, evaluation, selection, training, and promotion of
3 personnel, that show the intent of the commission to avoid the
4 unlawful employment practices described by Chapter 21, Labor Code;
5 and

6 (2) an analysis of the extent to which the composition
7 of the commission's personnel is in accordance with state and
8 federal law and a description of reasonable methods to achieve
9 compliance with state and federal law.

10 (c) The policy statement must:

11 (1) be updated annually;

12 (2) be reviewed by the state Commission on Human
13 Rights for compliance with Subsection (b)(1); and

14 (3) be filed with the governor's office.

15 Sec. 436.060. QUALIFICATIONS AND STANDARDS OF CONDUCT. The
16 executive director or the executive director's designee shall
17 provide to members of the commission and to commission employees,

7 (4) the name of each person contacted in relation to
8 the complaint;

9 (5) a summary of the results of the review or
10 investigation of the complaint; and

11 (6) an explanation of the reason the file was closed,
12 if the commission closed the file without taking action other than
13 to investigate the complaint.

14 (b) The commission shall provide to the person filing the
15 complaint and to each person who is a subject of the complaint a
16 copy of the commission's policies and procedures relating to

18 (c) The commission, at least quarterly until final
19 disposition of the complaint, shall notify the person filing the

24 FACILITIES. (a) In establishing the goals of a state agency, the
25 agency shall consider the enhancement of military value to
26 federally owned or operated military installations or facilities.
27 The state agency is encouraged to make this evaluation using the

1 most current criteria provided by the Texas Military Preparedness
2 Commission.

3 (b) If the state agency determines that an expenditure will
4 enhance the military value of a federally owned or operated
5 military installation or facility based on the base realignment and
6 closure criteria, the state agency shall make that expenditure a
7 high priority.

8 SECTION 8. Subchapter A, Chapter 2167, Government Code, is
9 amended by adding Section 2167.009 to read as follows:

10 Sec. 2167.009. CONSIDERATION TO MILITARY INSTALLATION. In

15 SECTION 9. Subtitle C, Title 12, Local Government Code, is
16 amended by adding Chapter 397 to read as follows:

17 CHAPTER 397. STRATEGIC PLANNING RELATING TO MILITARY INSTALLATIONS

18 Sec. 397.001. DEFINITIONS. In this subchapter:

19 (1) "Defense base" means a federally owned or operated
20 military installation or facility that is presently functioning or
21 has been closed or realigned under the Defense Base Closure and
22 Realignment Act of 1990 (10 U.S.C. Section 2687 note) and its
23 subsequent amendments.

24 (2) "Defense community" means a political
25 subdivision, including a municipality, county, or special
26 district, that is adjacent to, is near, or encompasses any part of a
27 defense base.

1 Sec. 397.002. DEFENSE BASE MILITARY VALUE ENHANCEMENT
2 STATEMENT. (a) A defense community that applies for financial
3 assistance from the Texas military value revolving loan account
4 shall prepare, in consultation with the authorities from each
5 defense base associated with the community, a defense base military
6 value enhancement statement that illustrates specific ways the
7 funds will enhance the military value of the installations and must
8 include the following information for each project:

9 (1) the purpose for which military value revolving
10 loan account funds are requested, including a description of the
11 project;

12 (2) the source of other funds for the project;

13 (3) a statement on how the project will enhance the
14 military value of the installation;

15 (4) whether the defense community has coordinated the
16 project with authorities of the military installation and whether
17 any approval has been obtained from those authorities;

18 (5) whether any portion of the project is to occur on
19 the military installation;

20 (6) whether the project will have any negative impact
21 on the natural or cultural environment; and

22 (7) a description of any known negative factors
23 arising from the project that will affect the community or the
24 military installation.

25 (b) The commission may require a defense community to
26 provide any additional information the commission requires to
27 evaluate the community's request for funds under this section.

1 (c) Two or more defense communities near the same defense
2 base that apply for financial assistance under the Texas military
3 value revolving loan account may prepare a joint statement.

4 (d) A copy of the defense base military value enhancement
5 statement shall be distributed to the authorities of each defense
6 base included in the statement and the Texas Military Preparedness
7 Commission.

8 (e) This section does not prohibit a defense community that
9 is not applying for financial assistance from preparing a defense
10 base military value enhancement statement under this section.

11 Sec. 397.003. COMPREHENSIVE DEFENSE INSTALLATION AND
12 COMMUNITY STRATEGIC IMPACT PLAN. (a) A defense community may
13 request financial assistance from the Texas military value
14 revolving loan account to prepare a comprehensive defense
15 installation and community strategic impact plan that states the
16 defense community's long-range goals and development proposals
17 relating to the following purposes:

18 (1) controlling negative effects of future growth of
19 the defense community on the defense base and minimizing
20 encroachment on military exercises or training activities
21 connected to the base;

22 (2) enhancing the military value of the defense base
23 while reducing operating costs; and

24 (3) identifying which, if any, property and services
25 in a region can be shared by the defense base and the defense
26 community.

27 (b) The comprehensive defense installation and community

1 strategic impact plan should include, if appropriate, maps,
2 diagrams, and text to support its proposals and must include the
3 following elements as they relate to each defense base included in
4 the plan:

5 (1) a land use element that identifies:

6 (A) proposed distribution, location, and extent
7 of land uses such as housing, business, industry, agriculture,
8 recreation, public buildings and grounds, and other categories of
9 public and private land uses as those uses may impact the defense
10 base; and

11 (B) existing and proposed regulations of land
12 uses, including zoning, annexation, or planning regulations as
13 those regulations may impact the defense base;

14 (2) a transportation element that identifies the
15 location and extent of existing and proposed freeways, streets, and
16 roads and other modes of transportation;

17 (3) a population growth element that identifies past
18 and anticipated population trends;

19 (4) a water resources element that:

20 (A) addresses currently available surface and
21 groundwater supplies; and

22 (B) addresses future growth projections and ways
23 in which the water supply needs of the defense community and the
24 defense base can be adequately served by the existing resources, or
25 if such a need is anticipated, plans for securing additional water
26 supplies;

27 (5) a conservation element that describes methods for

1 conservation, development, and use of natural resources, including
2 land, forests, soils, rivers and other waters, wildlife, and other
3 natural resources;

4 (6) an open-space area element that includes:

5 (A) a list of existing open-space land areas;

6 (B) an analysis of the defense base's forecasted
7 needs for open-space areas to conduct its military training
8 activities; and

9 (C) suggested strategies under which land on
10 which some level of development has occurred can make a transition
11 to an open-space area, if needed;

12 (7) a restricted airspace element that creates buffer
13 zones, if needed, between the defense base and the defense
14 community; and

15 (8) a military training route element that identifies
16 existing routes and proposes plans for additional routes, if
17 needed.

18 (c) Two or more defense communities near the same defense
19 base may prepare a joint plan.

20 Sec. 397.004. PLANNING MANUAL. A defense community that
21 has prepared a comprehensive defense installation and community
22 strategic impact plan described by Section 397.003 is encouraged to
23 develop, in coordination with the authorities of each defense base
24 associated with the community, a planning manual based on the
25 proposals contained in the plan. The manual should adopt
26 guidelines for community planning and development to further the
27 purposes described under Section 397.002. The defense community

1 should, from time to time, consult with defense base authorities
2 regarding any changes needed in the planning manual guidelines
3 adopted under this section.

4 Sec. 397.005. CONSULTATION WITH DEFENSE BASE AUTHORITIES.

5 If a defense community determines that an ordinance, rule, or plan
6 proposed by the community may impact a defense base or the military
7 exercise or training activities connected to the base, the defense
8 community shall seek comments and analysis from the defense base
9 authorities concerning the compatibility of the proposed
10 ordinance, rule, or plan with base operations. The defense
11 community shall consider and analyze the comments and analysis
12 before making a final determination relating to the proposed
13 ordinance, rule, or plan.

14 SECTION 10. Section 31.1571, Natural Resources Code, is
15 amended by adding Subsection (c) to read as follows:

16 (c) Any unused or underused state property may be sold or
17 leased, or an easement over the property may be granted, to the
18 United States for the use and benefit of the United States armed
19 forces if the commissioner or the commissioner's designee, after
20 consultation with appropriate military authorities, determines
21 that the sale, lease, or easement would materially assist the
22 military in accomplishing its mission. A sale, lease, or easement
23 under this subsection must be at market value. The state shall
24 retain all minerals it owns with respect to the land, but it may
25 relinquish the right to use the surface to extract them.

26 SECTION 11. Section 32.101, Natural Resources Code, is
27 amended to read as follows:

1 Sec. 32.101. APPLICABLE LAW. Land shall be offered for
2 sale, lease, or commitment to a contract for development subject to
3 the terms and conditions provided by law. Sales and leases of
4 upland within 2,500 feet of a military base may not be made unless
5 the commissioner or the commissioner's designee, after
6 consultation with appropriate military authorities, determines
7 that the sale or lease will not adversely affect the mission of the
8 military base.

9 SECTION 12. Section 33.103, Natural Resources Code, is
10 amended to read as follows:

11 Sec. 33.103. INTERESTS WHICH MAY BE GRANTED BY THE BOARD.

12 (a) The board may grant the following interests in coastal public
13 land for the indicated purposes:

14 (1) leases for public purposes;

15 (2) easements for purposes connected with:

16 (A) ownership of littoral property; or

17 (B) the operation of a facility operated by an
18 existing channel and dock corporation that was issued articles of
19 incorporation under Chapters 13 and 14, Title 32, Revised Statutes;

20 (3) permits authorizing limited continued use of
21 previously unauthorized structures on coastal public land not
22 connected with ownership of littoral property; and

23 (4) channel easements to the holder of any surface or
24 mineral interest in coastal public land for purposes necessary or
25 appropriate to the use of the interests.

26 (b) The board may not grant any interest in land within
27 2,500 feet of a military base unless the commissioner or the

1 commissioner's designee, after consultation with appropriate
2 military authorities, determines that the grant will not adversely
3 affect the mission of the military base.

4 SECTION 13. Section 51.011, Natural Resources Code, is
5 amended to read as follows:

6 Sec. 51.011. SALE AND LEASE OF PUBLIC SCHOOL AND ASYLUM
7 LAND. (a) Any land that is set apart to the permanent school fund
8 and the various asylum funds under the constitution and laws of this
9 state together with the mineral estate in riverbeds, channels, and
10 the tidelands, including islands, shall be controlled, sold, and
11 leased by the school land board and the commissioner under the
12 provisions of this chapter.

13 (b) Notwithstanding any other provision of this chapter,
14 land within 2,500 feet of a military base may not be sold or leased
15 and an easement over the land may not be granted unless the
16 commissioner or the commissioner's designee, after consultation
17 with appropriate military authorities, determines that the grant
18 will not adversely affect the mission of the military base.

19 (c) Any public land may be sold or leased, or an easement
20 over the property may be granted, to the United States for the use
21 and benefit of the United States armed forces if the commissioner or
22 the commissioner's designee, after consultation with appropriate
23 military authorities, determines that the sale, lease, or easement
24 would materially assist the military in accomplishing its mission.
25 A sale, lease, or easement under this subsection must be at market
26 value. The state shall retain all minerals it owns with respect to
27 the land, but it may relinquish the right to use the surface to

1 extract them.

2 (d) The commissioner shall determine whether a conveyance
3 under this section takes priority over any preference otherwise
4 granted by law, including the preferential right of a surrounding
5 landowner. In making the determination, the commissioner must only
6 consider the interests of preference holders who assert their
7 preferences in writing after notice of the proposed conveyance is
8 published in a newspaper of general circulation in the area. The
9 commissioner shall, in the commissioner's discretion, balance the
10 competing interests of the preference holders and the military.
11 The commissioner's determination is final. After land is conveyed
12 to the military, all competing preferences terminate.

13 SECTION 14. Section 53.011, Natural Resources Code, is
14 amended to read as follows:

15 Sec. 53.011. LAND SUBJECT TO PROSPECT. Any tract of land
16 that belongs to the state, including islands, salt and freshwater
17 lakes, bays, inlets, marshes, and reefs owned by the state within
18 tidewater limits, the part of the Gulf of Mexico within the state's
19 jurisdiction, unsold surveyed public school land, rivers and
20 channels that belong to the state, and land sold with a reservation
21 of minerals to the state are subject to prospect by any person for
22 those minerals which are not subject to lease or permit under any
23 other statute. A person may not prospect from a location within
24 2,500 feet of a military base, but prospectors may, from a location
25 more than 2,500 feet from a base, look for minerals within the
26 2,500-foot strip.

27 SECTION 15. Section 53.016(b), Natural Resources Code, is

1 amended to read as follows:

2 (b) Any lease covering land adjacent to a military base
3 shall require the lessee to forego the right to use the surface
4 within 2,500 feet of the military base while exploiting the
5 minerals. The commissioner may include in the lease any other
6 provision the commissioner considers necessary for protection of
7 the interests of the state.

8 SECTION 16. Section 53.064(a), Natural Resources Code, is
9 amended to read as follows:

10 (a) No lease executed by the owner of the surface is binding
11 on the state unless it recites the actual consideration paid or
12 promised for the lease. A lease covering land adjacent to a
13 military base shall require the lessee to forego the right to use
14 the surface within 2,500 feet of the military base while exploiting
15 the minerals.

16 SECTION 17. Section 53.151, Natural Resources Code, is
17 amended to read as follows:

18 Sec. 53.151. LEASE OF CERTAIN AREAS. (a) Under the
19 provisions of this subchapter, the board may lease to any person for
20 the production of coal, lignite, sulphur, salt, and potash:

21 (1) islands, saltwater lakes, bays, inlets, marshes,
22 and reefs owned by the state within tidewater limits;

23 (2) the portion of the Gulf of Mexico within the
24 jurisdiction of the state;

25 (3) rivers and channels that belong to the state;

26 (4) all unsold surveyed and unsurveyed public school
27 land; and

1 (5) all land sold with a reservation of minerals to the
2 state under Section 51.054 of this code in which the state has
3 retained leasing rights.

4 (b) The lease may not be granted for any land within 2,500
5 feet of a military base.

6 SECTION 18. Section 312.204, Tax Code, is amended by adding
7 Subsection (g) to read as follows:

8 (g) Notwithstanding the other provisions of this chapter,
9 the governing body of a municipality eligible to enter into tax
10 abatement agreements under Section 312.002 may agree in writing
11 with the owner of real property that is located in a reinvestment
12 zone to exempt from taxation for a period not to exceed five years a
13 portion of the value of the real property or of tangible personal
14 property located on the real property, or both, that is used to
15 provide housing for military personnel employed at a military
16 facility located in or near the municipality. An agreement may
17 provide for the exemption of the real property in each year covered
18 by the agreement only to the extent its value for that year exceeds
19 its value for the year in which the agreement is executed. An
20 agreement may provide for the exemption of tangible personal
21 property located on the real property in each year covered by the
22 agreement other than tangible personal property that was located on
23 the real property at any time before the period covered by the
24 agreement with the municipality and other than inventory or
25 supplies. The governing body of the municipality may adopt
26 guidelines and criteria for tax abatement agreements entered into
27 under this subsection that are different from the guidelines and

1 criteria that apply to tax abatement agreements entered into under
2 another provision of this section. Tax abatement agreements
3 entered into under this subsection are not required to contain
4 identical terms for the portion of the value of the property that is
5 to be exempt or for the duration of the exemption as tax abatement
6 agreements entered into with the owners of property in the
7 reinvestment zone under another provision of this section.

8 SECTION 19. Section 35.101(2), Utilities Code, is amended
9 to read as follows:

10 (2) "Public retail customer" means a retail customer
11 that is an agency of this state, a state institution of higher
12 education, a public school district, ~~[or]~~ a political subdivision
13 of this state, a military installation of the United States, or a
14 United States Department of Veterans Affairs facility.

15 SECTION 20. Section 35.102, Utilities Code, is amended to
16 read as follows:

17 Sec. 35.102. STATE AUTHORITY TO SELL OR CONVEY POWER OR
18 NATURAL GAS. (a) The commissioner, acting on behalf of the state,
19 may sell or otherwise convey power or natural gas generated from
20 royalties taken in kind as provided by Sections 52.133(f), 53.026,
21 and 53.077, Natural Resources Code, directly to a public retail
22 customer regardless of whether the public retail customer is also
23 classified as a wholesale customer under other provisions of this
24 title.

25 (b) To ensure that the state receives the maximum benefit
26 from the sale of power or natural gas generated from royalties taken
27 in kind, the commissioner shall use all feasible means to sell that

1 power or natural gas first to public retail customers that are
2 military installations of the United States, agencies of this
3 state, institutions of higher education, or public school
4 districts. The remainder of the power or natural gas, if any, may
5 be sold to public retail customers that are political subdivisions
6 of this state or to a United States Department of Veterans Affairs
7 facility.

8 SECTION 21. Subchapter H, Chapter 36, Utilities Code, is
9 amended by adding Section 36.354 to read as follows:

10 Sec. 36.354. DISCOUNTED RATES FOR MILITARY BASES. (a)
11 Notwithstanding any other provision of this title, each municipally
12 owned utility, electric cooperative, or electric utility in an area
13 where customer choice is not available or the commission has
14 delayed the implementation of full customer choice in accordance
15 with Section 39.103 shall discount charges for electric service
16 provided to a military base.

17 (b) The discount under Subsection (a) is a 20 percent
18 reduction of the base commercial rate that the municipally owned
19 utility, electric cooperative, or electric utility would otherwise
20 charge the military installation.

21 (c) An electric utility, municipally owned utility, or
22 electric cooperative may assess a surcharge to all of the utility's
23 retail customers in the state to recover the difference in revenue
24 between the revenues from the discounted rate for military bases
25 provided under Subsection (a) and the base commercial rate. This
26 subsection does not apply to an electric utility, municipally owned
27 utility, or electric cooperative that was providing electric

1 service to a military base on December 31, 2002, at a rate
2 constituting a discount of 20 percent or more from the utility's
3 base commercial rate that the utility would otherwise charge the
4 military base.

5 (d) Each electric utility shall file a tariff with the
6 commission reflecting the discount required by Subsection (a) and
7 may file a tariff reflecting the surcharge provided by Subsection
8 (c). Not later than the 30th day after the date the commission
9 receives the electric utility's tariff reflecting the surcharge,
10 the commission shall approve the tariff. A proceeding under this
11 subsection is not a rate change for purposes of Subchapter C.

12 (e) An electric utility, municipally owned utility, or
13 electric cooperative is exempt from the requirements of Subsection
14 (a) if:

15 (1) the 20 percent discount would result in a
16 reduction of revenue in an amount that is greater than one percent
17 of the utility's total annual revenues; or

18 (2) the utility:

19 (A) was providing electric service to a military
20 base on December 31, 2002, at a rate constituting a discount of 20
21 percent or more from the utility's base commercial rate that the
22 utility would otherwise charge the military base; and

23 (B) continues to provide electric service to the
24 military base at a rate constituting a discount of 20 percent or
25 more from the utility's base commercial rate that the utility would
26 otherwise charge the military base.

27 (f) Each electric utility shall provide the Texas Military

1 Preparedness Commission with the base commercial rate that the
2 utility would otherwise charge the military base and the rate the
3 utility is charging the military base.

4 (g) For the purposes of this section, the term "military
5 base" does not include a military base:

6 (1) that has been closed or realigned under the
7 Defense Base Closure and Realignment Act of 1990 (10 U.S.C. Section
8 2687) and its subsequent amendments;

9 (2) that is administered by an authority established
10 by a municipality under Chapter 378, Local Government Code, as
11 added by Chapter 1221, Acts of the 76th Legislature, Regular
12 Session, 1999;

13 (3) that is operated by or for the benefit of the Texas
14 National Guard, as defined by Section 431.001, Government Code,
15 unless the base is served by a municipally owned utility owned by a
16 city with a population of 650,000 or more; or

17 (4) for which a municipally owned utility has acquired
18 the electric distribution system under 10 U.S.C. Section 2688.

19 SECTION 22. Subchapter H, Chapter 39, Utilities Code, is
20 amended by adding Section 39.3535 to read as follows:

21 Sec. 39.3535. MILITARY BASES AGGREGATORS. (a) In this
22 section, "military bases aggregator" means a person joining two or
23 more military bases that are located in areas of the state offering
24 customer choice under this chapter into a single purchasing unit to
25 negotiate electricity purchases from retail electric providers.

26 (b) It is the policy of this state to encourage military
27 bases located in areas of the state offering customer choice under

1 this chapter to aggregate their facilities into a single purchasing
2 unit as a method to reduce costs of electricity consumed by those
3 bases. The commission shall provide assistance to a military bases
4 aggregator regarding the evaluation of offers from retail electric
5 providers on the request of the military bases aggregator.

6 (c) An aggregator registered under another section of this
7 subchapter may provide aggregation services to military bases.

8 (d) A person, including a state agency, may register as a
9 military bases aggregator to provide aggregation services
10 exclusively to military bases located in areas of the state
11 offering customer choice under this chapter.

12 (e) A person registered as a military bases aggregator under
13 Subsection (d) is not required to comply with customer protection
14 provisions, disclosure requirements, or marketing guidelines
15 prescribed by this title or established by the commission while
16 providing aggregation services exclusively to military bases.

17 (f) The commission shall expedite consideration of an
18 application submitted by an applicant for registration under
19 Subsection (d).

20 SECTION 23. Subchapter Z, Chapter 39, Utilities Code, is
21 amended by adding Section 39.910 to read as follows:

22 Sec. 39.910. INCENTIVE PROGRAM AND GOAL FOR ENERGY
23 EFFICIENCY FOR MILITARY BASES. (a) The commission by rule shall
24 establish an electric energy efficiency incentive program under
25 which each electric utility in an area where customer choice is not
26 available will provide incentives sufficient for military bases,
27 retail electric providers, or competitive energy service providers

1 to install energy efficiency devices or other alternatives at
2 military bases. The commission shall design the program to provide
3 military bases with a variety of choices for cost-effective energy
4 efficiency devices and other alternatives from the market to reduce
5 energy consumption and energy costs.

6 (b) The commission shall establish a goal for the program to
7 reduce, before January 1, 2005, the consumption of electricity by
8 military bases in this state by five percent as compared to
9 consumption levels in 2002.

10 (c) The commission shall approve a nonbypassable surcharge
11 or other rate mechanism to recover costs associated with the
12 program established under this section.

13 (d) An electric utility shall administer the electric
14 energy efficiency incentive program in a market-neutral,
15 nondiscriminatory manner. An electric utility may not offer
16 underlying competitive services.

17 SECTION 24. Section 25.005, Education Code, is amended to
18 read as follows:

19 Sec. 25.005. RECIPROCITY AGREEMENTS REGARDING MILITARY
20 PERSONNEL AND DEPENDENTS. (a) To facilitate the transfer of
21 military personnel and their dependents to and from the public
22 schools of this state, the agency shall [~~may~~] pursue reciprocity
23 agreements with other states governing the terms of those
24 transfers.

25 (b) A reciprocity agreement must:

26 (1) address procedures for:

27 (A) transferring student records;

1 (B) [~~(2) address procedures for~~] awarding credit
2 for completed course work; and

3 (C) permitting a student to satisfy the
4 requirements of Section 39.025 through successful performance on
5 comparable exit-level assessment instruments administered in
6 another state; and

7 (2) [~~(3)~~] include appropriate criteria developed by
8 the agency.

9 SECTION 25. Sections 481.0065, 482.002, 482.003, and
10 482.004, Government Code, and Section 502.271, Transportation
11 Code, are repealed.

12 SECTION 26. (a) Not later than the 90th day after the
13 effective date of this Act, the governor shall appoint the initial
14 members of the Texas Military Preparedness Commission in accordance
