(2) any political subdivision in a nonattainment area or in an affected county other than:

(A) a school district; or

(B) a district as defined by Section 36.001 or 49.001, Water Code, that had a total annual electricity expense of less than \$200,000 in the previous fiscal year of the district [~~in a nonattainment area or in an affected county~~].

SECTION 2. Section 43.0751(a)(3), Local Government Code, is amended to read as follows:

(3) "Strategic partnership agreement" means a written agreement described by this section between a municipality and a district [~~that provides terms and conditions under which services will be provided and funded by the parties to the agreement and under which the district will continue to exist for an extended period of time if the land within the district is annexed for limited or full purposes by the municipality~~].

SECTION 3. Section 43.0751, Local Government Code, is

1 amended by amending Subsections (d), (f), and (i) and adding
2 Subsection (q) to read as follows:

3 (d) Before the governing body of a municipality or a
4 district adopts a strategic partnership agreement, it shall conduct
5 two public hearings at which members of the public who wish to
6 present testimony or evidence regarding the proposed agreement
7 shall be given the opportunity to do so. Notice of public hearings
8 conducted by the governing body of a municipality under this
9 subsection shall be published in a newspaper of general circulation
10 in the municipality and in the district. The notice must be in the
11 format prescribed by Section 43.123(b) and must be published at
12 least once on or after the 20th day before each date. Notice of
13 public hearings conducted by the governing body of a district under
14 this subsection shall be given in accordance with the district's
15 notification procedures for other matters of public importance.
16 Any notice of a public hearing conducted under this subsection
17 shall contain a statement of the purpose of the hearing, the date,
18 time, and place of the hearing, and the location where copies of the
19 proposed agreement may be obtained prior to the hearing. The
20 governing bodies of a municipality and a district may conduct joint
21 public hearings under this subsection, provided that at least one
22 public hearing is conducted within the district. [~~A municipality
23 may combine the public hearings and notices required by this
24 subsection with the public hearings and notices required by Section
25 43.124.~~]

26 (f) A strategic partnership agreement may provide for the
27 following:

1 (1) limited-purpose annexation of the district on
2 terms acceptable to the municipality and the district [~~under the~~
3 ~~provisions of Subchapter F~~] provided that the district shall
4 continue in existence during the period of limited-purpose
5 annexation;

6 (2) limited-purpose annexation of a district located
7 in a county with a population of more than 3.3 million:

8 (A) only if the municipality does not require
9 services, permits, or inspections or impose fees for services,
10 permits, or inspections within the district; and

11 (B) provided that this subsection does not
12 prevent the municipality from providing services within the
13 district if:

14 (i) the provision of services is specified
15 and agreed to in [~~such amendments to the timing requirements of~~
16 ~~Sections 43.123(d)(2) and 43.127(b) as may be necessary or~~
17 ~~convenient to effectuate the purposes of~~] the agreement;

18 (ii) the provision of services is not
19 solely the result of a regulatory plan adopted by the municipality
20 in connection with the limited-purpose annexation of the district;
21 and

22 (iii) the district has obtained the
23 authorization of the governmental entity currently providing the
24 service;

25 (3) payments by the municipality to the district for
26 services provided by the district;

27 (4) annexation of any commercial property in a

1 district for full purposes by the municipality, notwithstanding any
2 other provision of this code or the Water Code, except for the
3 obligation of the municipality to provide, directly or through
4 agreement with other units of government, full provision of
5 municipal services to annexed territory, in lieu of any annexation
6 of residential property or payment of any fee on residential
7 property in lieu of annexation of residential property in the
8 district authorized by this subsection;

9 (5) a full-purpose annexation provision on terms
10 acceptable to the municipality and the district [~~that specifies one~~
11 ~~of the following:~~

12 [~~(A) the date on which the land included within~~
13 ~~the district's boundaries shall be converted from the~~
14 ~~municipality's limited-purpose jurisdiction to its full-purpose~~
15 ~~jurisdiction, provided that such date shall not be later than 10~~
16 ~~years after the effective date of the strategic partnership~~
17 ~~agreement, or~~

18 [~~(B)(i) terms for payment of an annual fee to the~~
19 ~~municipality by the district in lieu of full-purpose annexation,~~
20 ~~the form in which each such payment must be tendered, a method of~~
21 ~~calculating the fee, and the date by which each such payment must be~~
22 ~~made, failure by a district to timely make an annual payment in lieu~~
23 ~~of full-purpose annexation in the amount and form required by a~~
24 ~~strategic partnership agreement shall be the only ground for~~
25 ~~termination of the agreement with respect to annexation at the~~
26 ~~option of the municipality,~~

27 [~~(ii) to determine a reasonable fee to be~~

1 ~~derived from residential property in a district, the municipality~~
2 ~~or the district may request a cost-of-service study by an~~
3 ~~independent third party agreeable to both parties if~~
4 ~~cost-of-service data prepared by the municipality is not~~
5 ~~acceptable. Both parties shall be equally responsible for the cost~~
6 ~~of the study, which shall include an evaluation of the estimated~~
7 ~~annual cost of providing municipal services to the residential~~
8 ~~portion of the district over the next 10 years and the estimated~~
9 ~~annual amount of ad valorem taxes from residential property the~~
10 ~~municipality would receive on full-purpose annexation of the~~
11 ~~district over the next 10 years. The fee shall not exceed the~~
12 ~~estimated annual amount of residential ad valorem taxes that would~~
13 ~~be derived by full-purpose annexation of the district, less the~~
14 ~~estimated annual amount required to provide municipal services to~~
15 ~~the residential property in the district if annexed for full~~
16 ~~purposes. A fee determined through this methodology is subject to~~
17 ~~renegotiation every 10 years at the request of either party to the~~
18 ~~agreement following the same procedure used to set the fee in the~~
19 ~~original agreement. This methodology does not apply to fees from~~
20 ~~commercial property];~~

21 (6) conversion of the district to a limited district
22 including some or all of the land included within the boundaries of
23 the district, which conversion shall be effective on the
24 full-purpose annexation conversion date established under
25 Subdivision (5) [~~(5)(A)~~];

26 (7) agreements existing between districts and
27 governmental bodies and private providers of municipal services in

1 existence on the date a municipality evidences its intention by
2 adopting a resolution to negotiate for a strategic partnership
3 agreement with the district shall be continued and provision made
4 for modifications to such existing agreements; and

5 (8) such other lawful terms that the parties consider
6 appropriate.

7 (i) A [~~district that is negotiating for or that has adopted~~
8 a] strategic partnership agreement may provide that the district
9 shall not incur additional debt, liabilities, or obligations, to
10 construct additional utility facilities, or sell or otherwise
11 transfer property without prior approval of the municipality[~~7~~
12 ~~which approval shall not be unreasonably withheld or delayed. An~~
13 ~~action taken in violation of this subsection is void].~~

14 (q) Subchapter F does not apply to a limited-purpose
15 annexation under a strategic partnership agreement.

16 SECTION 4. Section 43.123, Local Government Code, is
17 amended by adding Subsection (e) to read as follows:

18 (e) The deadline imposed by Subsection (d)(2) does not apply
19 to an area that:

20 (1) is owned by the United States, this state, or a
21 political subdivision of this state;

22 (2) is located outside the boundaries of a water
23 control and improvement district or a municipal utility district;
24 and

25 (3) is annexed for limited purposes in connection with
26 a strategic partnership agreement under Section 43.0751.

27 SECTION 5. Section 43.127(a), Local Government Code, is

1 amended to read as follows:

2 (a) Except as provided by Section 43.123(e), on [On] or
3 before the date prescribed by the regulatory plan under Section
4 43.123(d)(2), the municipality must annex the area for full
5 purposes. This requirement may be waived and the date for
6 full-purpose annexation postponed by written agreement between the
7 municipality and a majority of the affected landowners. A written
8 agreement to waive the municipality's obligation to annex the area
9 for full purposes binds all future owners of land annexed for
10 limited purposes pursuant to that waiver.

11 SECTION 6. Section 49.052, Water Code, is amended by adding
12 Subsections (h) and (i) to read as follows:

13 (h) This subsection applies only to a district that is
14 located wholly within the boundaries of a municipality with a
15 population of more than 1.5 million, that is governed by Chapter
16 375, Local Government Code, and that is governed by an appointed
17 board consisting of nine or more members. Notwithstanding
18 Subsection (f) or (g), a person is considered to have resigned from
19 serving as a member of the board if the person fails to attend three
20 consecutive meetings of the board. The remaining board members by
21 majority vote may waive the resignation under this subsection if
22 fairness requires that the absences be excused on the basis of
23 illness or other good cause.

24 (i) Notwithstanding any other law, a director is eligible to
25 serve on the board of a district governed by Chapter 375, Local
26 Government Code, regardless of the municipality in which the
27 director resides, if:

1 (1) the district is located within the boundaries of a
2 municipality with a population of more than 1.8 million; and

3 (2) all or a part of the district is located more than
4 five miles from the downtown city hall of that municipality.

5 SECTION 7. Section 49.067, Water Code, is amended to read as
6 follows:

7 Sec. 49.067. CONTRACTS. (a) A district shall contract, and
8 be contracted with, in the name of the district.

9 (b) Notwithstanding any other law, a contract for
10 technical, scientific, legal, fiscal, or other professional
11 services must be approved by the board unless specifically
12 delegated by board action. The terms and conditions of such a
13 contract, including the terms for payment, are subject to the
14 decision of the board unless specifically delegated by board
15 action. The board through such action cannot abrogate its fiscal
16 responsibility.

17 SECTION 8. Section 49.068, Water Code, is amended to read as
18 follows:

19 Sec. 49.068. CONTRACTS WITH GOVERNMENTAL AGENCIES. (a)
20 The provisions of this chapter pertaining to bids and the Local
21 Government Code notwithstanding, a district may purchase property
22 from any governmental entity by negotiated contract without the
23 necessity of securing appraisals or advertising for bids.

24 (b) The provisions of other law or a home-rule municipal
25 charter notwithstanding, a municipality may contract with a
26 district. The term of a contract under this subsection may be of
27 unlimited duration.

1 SECTION 9. Section 49.103, Water Code, is amended by adding
2 Subsection (h) to read as follows:

3 (h) If authorized by the board in the proceedings calling a
4 director election, the secretary of the board or the secretary's
5 designee, on receipt of the certification required by Section
6 2.052(b), Election Code, shall post notice that the election is not
7 to be held. The notice must be posted, on or before the
8 commencement of early voting, at each polling place that would have
9 been used in the election. If the notice is timely posted:

10 (1) the board or the board's designee is not required
11 to:

12 (A) post or publish notice of the election;

13 (B) prepare or print ballots and election
14 materials; or

15 (C) hold early and regular voting; and

16 (2) the board shall meet at the earliest practicable
17 time to declare each unopposed candidate elected to office.

18 SECTION 10. Section 49.106(a), Water Code, is amended to
19 read as follows:

20 (a) Before an election is held to authorize the issuance of
21 bonds, other than refunding bonds, there shall be filed in the
22 office of the district and open to inspection by the public an
23 engineer's report covering the land, improvements, facilities,
24 plants, equipment, and appliances to be purchased or constructed
25 and their estimated cost, together with maps, plats, profiles, and
26 data fully showing and explaining the report. The engineer's
27 report is not:

1 (1) part of the proposition or propositions to be
2 voted on; or

3 (2) a contract with the voters.

4 SECTION 11. Sections 49.153(a) and (e), Water Code, are
5 amended to read as follows:

6 (a) The board, without the necessity of an election, may
7 borrow money on negotiable or nonnegotiable notes of the district
8 to be paid solely from the revenues derived from the ownership of
9 all or any designated part of the district's works, plants,
10 improvements, facilities, or equipment after deduction of the
11 reasonable cost of maintaining and operating the facilities.

12 (e) Subsection (c) does not apply to:

13 (1) a note issued to and approved by the:

14 (A) Farmers Home Administration;

15 (B) United States Department of Agriculture;

16 [~~or~~]

17 (C) Texas Water Development Board; or

18 (D) North American Development Bank; or

19 (2) a district described by Section 49.181(h).

20 SECTION 12. Section 49.181(a), Water Code, is amended to
21 read as follows:

22 (a) A district may not issue bonds unless the commission
23 determines that the project to be financed by the bonds is feasible
24 and issues an order approving the issuance of the bonds. This
25 section does not apply to:

26 (1) refunding bonds if the commission issued an order
27 approving the issuance of the bonds or notes that originally

1 financed the project;

2 (2) refunding bonds that are issued by a district
3 under an agreement between the district and a municipality allowing
4 the issuance of the district's bonds to refund bonds issued by the
5 municipality to pay the cost of financing facilities; or

6 (3) bonds issued to and approved by the Farmers Home
7 Administration, the United States Department of Agriculture, the
8 North American Development Bank, or the Texas Water Development
9 Board.

10 SECTION 13. Sections 49.183(a) and (b), Water Code, are
11 amended to read as follows:

12 (a) Except for refunding bonds, or bonds sold to a state or
13 federal agency or to the North American Development Bank, bonds
14 issued by a district shall be sold after advertising for and
15 receiving competitive sealed bids and shall be awarded to the
16 bidder whose bid produces the lowest net effective interest rate to
17 the district.

18 (b) Except for refunding bonds, or bonds sold to a state or
19 federal agency or to the North American Development Bank, before
20 any bonds are sold by a district, the board shall publish an
21 appropriate notice of the sale:

22 (1) at least one time not less than 10 days before the
23 date of sale in a newspaper of general circulation in the county or
24 counties in which the district is located; and

25 (2) at least one time in one or more recognized
26 financial publications of general circulation in the state as
27 approved by the state attorney general.

1 SECTION 14. Section 49.194, Water Code, is amended by
2 adding Subsection (g) to read as follows:

3 (g) A submission to the executive director required by this
4 section may be made electronically.

5 SECTION 15. Subchapter H, Chapter 49, Water Code, is
6 amended by adding Section 49.2125 to read as follows:

7 Sec. 49.2125. FEES AND OTHER CHARGES OF CERTAIN REGIONAL
8 WATER AUTHORITIES AFTER ANNEXATION. (a) This section applies to a
9 regional water authority that:

10 (1) was established after January 1, 1999;

11 (2) is located entirely within a county with a

13 decennial census; and

14 (3) has a population greater than 375,000 according to
15 the 2000 federal decennial census.

16 (b) Notwithstanding any other law, except to the extent an
17 authority to which this section applies agrees in writing, a
18 municipality's annexation of territory within the authority has no
19 effect on the authority's ability to assess and collect inside the
20 territory annexed by the municipality the types of fees, rates,
21 charges, or special assessments that the authority was assessing
22 and collecting at the time the municipality initiated the
23 annexation; provided, however, that the authority's ability to
24 assess and collect such fees, rates, charges, or special
25 assessments shall terminate on the later to occur of (i) the date of
26 final payment or defeasance of any bonds or other indebtedness,
27 including any refunding bonds, that are secured by such fees,

1 rates, charges, or special assessments or (ii) the date that the
2 authority no longer provides services inside the annexed territory.
3 An authority to which this section applies shall continue to
4 provide services to the annexed territory in accordance with
5 contracts in effect at the time of the annexation unless a written
6 agreement between the governing body of the authority and the
7 governing body of the municipality provides otherwise.

9 are amended to read as follows:

12 board to be surplus and is not needed by the district may be sold
13 under order of the board either by public or private sale, or the
14 land, interest in land, or personal property may be exchanged for
15 other land, interest in land, or personal property needed by the
16 district. Except as provided in Subsection (b), land, interest in
17 land, or personal property must be exchanged for like fair market
18 value, which value may be determined by the district. In connection
19 with the sale of surplus land, the board, at its discretion, may
20 impose restrictions on the development and use of the land.

21 (c) Before [~~either~~] a public [~~or a private~~] sale of real
22 property, the district shall give notice of the intent to sell by
23 publishing notice once a week for two consecutive weeks in one or
24 more newspapers with general circulation in the district.

25 (d) If the district has outstanding bonds secured by a
26 pledge of tax revenues, the proceeds of the sale of property
27 originally acquired with bond proceeds shall be:

1 (1) applied to retire outstanding bonds of the

4 spent only as provided by the rules of the commission relating to
5 surplus bond proceeds.

6 SECTION 17. Section 49.234(a), Water Code, as added by
7 Section 15, Chapter 1423, Acts of the 77th Legislature, Regular
8 Session, 2001, is amended to read as follows:

11 rule may prohibit the installation of private on-site wastewater
12 holding or treatment facilities on land within the district that is
13 not served by the district's or corporation's wastewater collection
14 system. A district or corporation that has not received funding
15 under Subchapter K, Chapter 17, may not require a property owner who
16 has [~~already~~] installed an on-site wastewater holding or treatment
17 facility before the adoption of the rule to connect to the
18 district's or corporation's wastewater collection system.

19 SECTION 18. Subchapter H, Chapter 49, Water Code, is
20 amended by adding Section 49.236 to read as follows:

13 amended to read as follows:

14 Sec. 54.739. SUBSTITUTING LAND OF EQUAL ~~[ACREAGE AND]~~
15 VALUE. After the district is organized and acquires facilities
16 with which to function for the purposes for which it was organized,
17 and votes, issues and sells bonds for such purposes, land within the
18 district boundaries subject to taxation that does not need or
19 utilize the services of the district may be excluded and other land
20 not within the boundaries of the district may be included within the
21 boundaries of the district without impairment of the security for
22 payment of the bonds or invalidation of any prior bond election, as
23 provided by ~~[the provisions of]~~ this section and Sections 54.740
24 ~~[54.741]~~ through 54.747 ~~[54.748 subject to commission approval]~~.

25 Sec. 54.744. IMPAIRMENT OF SECURITY. For purposes of the
26 board's consideration of the applications, the lands proposed for
27 inclusion shall be deemed to be sufficient to avoid an impairment of

1 the security for payment of obligations of the district if:

2 (1) according to the most recent [~~county~~] tax roll of
3 the district or the most recently certified estimates of taxable
4 value from the chief appraiser of the appropriate appraisal
5 district [~~rolls~~], the taxable value of such included lands equals

7 (2) either the estimated costs of providing district

9 than the estimated costs of providing district facilities and
10 services to the excluded lands or any increased estimated costs of
11 providing district facilities and services to the included land, as
12 determined by the district's engineer, can be amortized at
13 prevailing bond interest rates and maturity schedules and the
14 prevailing debt service tax rate of the district, as determined by
15 the district's professional financial advisor, when applied to the
16 increase in taxable value of the included land over the taxable
17 value of the excluded land; and

18 (3) the district's outstanding bonds or contract
19 obligations are payable in whole or in part by a pledge of net
20 revenues from the ownership or operation of the district's
21 facilities, and the projected net revenues to be derived from the
22 lands to be included during the succeeding 12-month period, as
23 determined by the district's engineer, equals or exceeds the
24 projected net revenues that would otherwise have been derived from
25 the lands to be excluded during the same period.

26 SECTION 33. Subchapter H, Chapter 54, Water Code, is
27 amended by adding Sections 54.748 and 54.749 to read as follows:

2 SUFFICIENT SERVICES; BONDS OUTSTANDING. (a) This section applies
3 only to a district that has a total area of more than 5,000 acres.

4 (b) The board shall call a hearing on the exclusion of land
5 from the district on a written petition filed with the secretary of
6 the board by a landowner whose land has been included in and taxable
7 by the district for more than 28 years if any bonds issued by the
8 district payable in whole or in part from taxes of the district are
9 outstanding and the petition:

10 (1) includes a signed petition evidencing the consent
11 of the owners of a majority of the acreage proposed to be excluded,
12 as reflected by the most recent certified tax roll of the district;

13 (2) includes a claim that the district has not
14 provided the land with utility services;

15 (3) describes the property to be excluded;

16 (4) provides, at the petitioner's expense, facts
17 necessary for the board to make the findings required by Subsection
18 (c); and

19 (5) is filed before August 31, 2005.

20 (c) The board may exclude land under this section only on
21 finding that:

22 (1) the district has never provided utility services
23 to the land described by the petition;

24 (2) the district has imposed a tax on the land for more
25 than 28 years;

26 (3) all taxes the district has levied and assessed

4 impact of the proposed exclusion of land and does not oppose the
5 exclusion.

6 (d) If evidence presented at the hearing conclusively
7 demonstrates that the requirements and grounds for exclusion
8 described by Subsections (b) and (c) have been met, the board may
9 enter an order excluding the land from the district. If the board
10 enters an order excluding the land, the board shall redefine in the
11 order the boundaries of the district to embrace all land not
12 excluded.

13 (e) A copy of an order excluding land and redefining the
14 boundaries of the district shall be filed in the deed records of the
15 county in which the district is located.

16 (f) The exclusion of land under this section does not impair
17 the rights of holders of any outstanding bonds, warrants, or other
18 certificates of indebtedness of the district.

19 (g) After any land is excluded under this section, the
20 district may issue any unissued additional debt approved by the
21 voters of the district before exclusion of the land under this
22 section without holding a new election. Additional debt issued
23 after land is excluded from the district may not be payable from and
24 does not create a lien against the taxable value of the excluded
25 land.

26 (h) For purposes of this section and Section 54.749, "land"
27 includes any improvements to the land, and when used in the context

1 of property taxes, "land" has the meaning assigned to "real
2 property" by Section 1.04, Tax Code.

3 Sec. 54.749. TAX LIABILITY OF EXCLUDED LAND; BONDS
4 OUTSTANDING. (a) Land excluded from the district under Section
5 54.748 that is pledged as security for any outstanding debt of the
6 district remains pledged for its pro rata share of the debt until
7 final payment is made. The district shall continue to levy and
8 collect taxes on the excluded land at the same rate levied on land
9 remaining in the district until the amount of taxes collected from
10 the excluded land equals the land's pro rata share of the district's
11 debt outstanding at the time the land was excluded from the
12 district.

13 (b) The district shall apply the taxes collected on the
14 excluded land only to the payment of the excluded land's pro rata
15 share of the debt.
