22 SECTION 5. Section 11.033, Water Code, is amended to read as
23 follows:

24 Sec. 11.033. EMINENT DOMAIN. (a) In this section:

25 (1) "Municipal water supplier" means any legal entity
26 other than a municipality that:

27 (A) supplies water to a municipality for

1 municipal use; and

2 (B) has the right under other law to exercise the
3 power of eminent domain.

4 (2) "Municipality" has the meaning assigned by Section
5 1.005, Local Government Code.

6 (b) The right to take water necessary for domestic and
7 municipal supply purposes is primary and fundamental, and the right
8 to recover from other uses water which is essential to domestic and
9 municipal supply purposes is paramount and unquestioned in the
10 policy of the state. A municipality or municipal water supplier,
11 however, may exercise the power of eminent domain to acquire a water
12 supply for municipal use only to the extent that the water supply is
13 essential for maintaining public health or safety by providing
14 water for drinking, bathing, sewage disposal, fire protection, or
15 other basic domestic needs. An acquisition of water by a
16 municipality or municipal water supplier for other purposes,
17 including for industry or recreation, may be made only through a
18 voluntary purchase from a willing seller.

19 (c) A municipality or municipal water supplier acquiring
20 water by the exercise of the power of eminent domain has the burden
21 of proving that it cannot meet essential domestic needs through
22 conserving its existing supplies or through diverting water from
23 nonessential use in the municipality to essential domestic use.

24 (d) Except as provided by Subsection (b), all [All]
25 political subdivisions of the state and constitutional
26 governmental agencies exercising delegated legislative powers have
27 the power of eminent domain to be exercised as provided by law for

1 domestic, municipal, and manufacturing uses and for other purposes
2 authorized by this code, including the irrigation of land for all
3 requirements of agricultural employment.

4 SECTION 6. Subchapter A, Chapter 36, Water Code, is amended
5 by adding Section 36.003 to read as follows:

6 Sec. 36.003. LIMITATION ON EXERCISE OF EMINENT DOMAIN POWER
7 BY OR FOR MUNICIPALITIES. (a) In this section:

8 (1) "Municipal water supplier" means any legal entity
9 other than a municipality that:

10 (A) supplies water to a municipality for
11 municipal use; and

12 (B) has the right under other law to exercise the
13 power of eminent domain.

14 (2) "Municipality" has the meaning assigned by Section
15 1.005, Local Government Code.

16 (b) A municipality or municipal water supplier may not
17 exercise the power of eminent domain within the boundaries of a
18 district for the purpose of acquiring a supply of groundwater for
19 municipal use except as provided by Subsection (d) and to the extent
20 that the supply is necessary for maintaining public health or
21 safety by providing water for drinking, bathing, sewage disposal,
22 fire protection, or other basic and essential domestic needs.

23 (c) A municipality or municipal water supplier acquiring
24 water by the exercise of the power of eminent domain has the burden
25 of proving that it cannot meet essential domestic needs through
26 conserving its existing supplies or through diverting water from
27 nonessential use in the municipality to essential domestic use.

1 (d) A municipality or municipal water supplier may not
2 exercise the power of eminent domain to condemn land within the
3 boundaries of a district for the purpose of acquiring groundwater
4 supplies. The power of eminent domain is limited to condemnation of
5 the right to:

6 (1) capture a quantified number of acre-feet of water
7 annually; and

8 (2) acquire only as much land as is necessary for well
9 sites, pipelines, and other water conveyance infrastructure.

10 (e) The amount of water condemned under Subsection (d) may
11 not exceed the production limits set by district rules.

12 (f) A landowner whose groundwater is acquired under
13 Subsection (d) is entitled, at the landowner's option, to an annual
14 payment for the production that is condemned instead of a lump-sum
15 compensation.

16 (g) If a municipality or municipal water supplier that
17 obtains a production permit from a district for groundwater rights
18 acquired under Subsection (d) does not produce groundwater under
19 the permit before the 10th anniversary of the date of issuance of
20 the permit:

21 (1) the right of capture acquired under Subsection (d)
22 reverts to the landowner;

23 (2) any land acquired under Subsection (d) reverts to
24 the landowner; and

25 (3) any annual payments being made under Subsection
26 (f) cease.

27 (h) If the amount of groundwater produced from an

1 acquisition under Subsection (d) keeps the affected landowner from
2 having a sufficient supply of water to meet the landowner's
3 domestic and livestock needs, the municipality or municipal water
4 supplier shall furnish the landowner with water to meet those
5 needs.

6 SECTION 7. Section 67.011, Water Code, is amended to read as
7 follows:

8 Sec. 67.011. POWERS OF CORPORATION IN CERTAIN COUNTIES. In
9 a county with a population of less than 3.3 million, a corporation
10 may:

11 (1) except as provided by Sections 11.033 and 36.003,
12 own, hold, lease, or otherwise acquire water wells, springs, or
13 other sources of water supply;

14 (2) build, operate, and maintain pipelines to
15 transport water or wastewater;

16 (3) build and operate plants and equipment necessary
17 to distribute water or to treat and dispose of wastewater; and

18 (4) sell water or provide wastewater services to a
19 political subdivision, a private corporation, or an individual.

20 SECTION 8. The change in law made by this Act applies only
21 to a petition to initiate condemnation proceedings to acquire a
22 municipal water supply filed by a municipality or municipal water
23 supplier, as defined by Sections 11.033(a) and 36.003(a), Water
24 Code, as added by this Act, on or after the effective date of this
25 Act.

26 SECTION 9. This Act takes effect immediately if it receives
27 a vote of two-thirds of all the members elected to each house, as

H.B. No. 1760

1 provided by Section 39, Article III, Texas Constitution. If this
2 Act does not receive the vote necessary for immediate effect, this
3 Act takes effect September 1, 2003.
